## PEOPLE OF ACTION

Rotarians have a shared responsibility to take action on our world's most persistent issues. Our more than 1.2 million volunteer members work together to:

- Promote peace*
- Fight disease*
- Provide clean water and sanitation*
- Improve maternal and child health*
- Support education*
- Grow local economies*
- Protect the environment*

The local club is the cornerstone of Rotary. Like other Rotary clubs, Pontiac Rotary engages in our community to better understand and address the challenges and opportunities facing our neighbors, friends and colleagues.

## GET INVOLVED

*Becoming a member enables you to meet our community's leaders and make an impact both here and around the world.*

*We invite you to visit our club and find out more about Pontiac Rotary and the opportunities we offer to get involved.*

***"For over 100 years, Pontiac Rotary's commitment to service, leadership, and collaboration has strengthened our community. I'm proud to support an organization that brings people together to create meaningful, lasting change."
