January 2023

Proposal to contribute \$1000 to a Pontiac family which has lost its home / possessions to a house fire.

Discussion:

- Pontiac Rotary traditionally funds programs and partners rather than individuals.
- Lighthouse, Baldwin Center, Red Cross, Furniture Bank, Comm Housing Network, etc are all in the business of emergency services.
- We don't currently have a process for evaluating need and prioritizing support.
- We want to help --- can we facilitate personal donations?
- We have funded individuals through scholarships, with a very defined process for vetting and distribution.

Voting members: Rick David, Judy Muhn, Tim Travis and John Schodowski unanimously denied this request.
