

Rotary is an international service organization whose stated purpose is to bring together business and professional leaders to provide humanitarian services, encourage high ethical standards in all vocations, and to advance goodwill and peace around the world.

It is a non-political and non-sectarian organization open to all people regardless of race, color, creed, religion, gender, or political preference.

There are over 34,000 member clubs worldwide consisting of over 1.2 million members.

A Rotary Corporate Membership within the Rotary Club of Troy is ideal for companies that want to participate in the activities that Rotary offers in the community in which you/your employees work in and/or live in. It allows your company or organization to continuously benefit from all that the Rotary Club of Troy has to offer, regardless of changes in professional staff and leadership.

Here's how it works:

- 1)** Any company or organization may choose to nominate up to two representatives to be active members of the Rotary Club of Troy.
- 2)** If the active member cannot attend all the meetings, a second, alternate, or multiple employee(s) of the company could also attend.
- 3)** If designated members leave your organization for any reason, simply transfer his or her membership to another member at no cost. What's more, the individual who leaves, may transfer his or her Corporate Membership to an Individual Membership for a one-time conversion fee of \$50.
- 4)** Dues would be \$220 year, paid in advance, plus one-time application fee of \$100. Additionally, for each meeting that a member attends he/she would be charged the existing fee for the meal (currently \$12 per meal).

Corporate Members have full membership opportunities in our club and are encouraged to participate on committees, community service projects and events, club officer positions, etc.
