Have you ever wondered... ... what the Middlebury Rotary Club does?

- We display over 350 American flags in Middlebury on five national holidays. These include 50 flags which honor veterans in Cannon Park.
- With matching funds from The Rotary Foundation, we have assisted Addison County Home Health and Hospice with their free foot care clinic program.
- We participate in Green-Up Day in May.
- We serve community suppers at the Middlebury Congregational Church.
- We prepare 20 gallons of delicious chili for the Chili Fest.
- We decorate a float and participate in the Memorial Day Parade.
- We pick up Christmas trees after the holiday so they can be turned into "Merry Mulch".

- We have purchased "ShelterBoxes", unique portable homes which can be used by those displaced in natural disasters.
- We continuously sponsor adult and student foreign exchange programs throughout the world.
- Our members have travelled to Honduras to work on school construction and clean water projects.
- We collect money weekly from our members which is given for polio eradication, a major goal of Rotary International.
- Our members maintain a meals on wheels delivery route.
- We serve breakfast to 600 Maple Run participants.

- We sponsor "Rotary Week", a time for reflection on our community, community outreach and the opportunity to have some fun.
- We sponsor an Interact, or youth Rotary, Club at Middlebury Union High School.

In addition to the activities listed here, Middlebury Rotary supports local charities and projects throughout the region. With gifts ranging from \$100 – \$5,000, we respond to many needs and requests over the course of a year and strive to do a little bit of good in many areas. Your support will help us carry on this tradition.
