## Website Advertising Guide

### Website Advertising Opportunity:

#### How it Works:

- Our website displays banner ads on all pages. All ads appear in the right-hand column.
- The ad will link to your website that can be your homepage or any existing page within your website.
- All banners must be square, 100 x 100 pixels. We recommend a simple, colorful ad as it will link directly to your website.
- Cost: Only \$50.00 per year!
