

The Great Duck Race
Livingston Sunrise Rotary Foundation
House Rules in Accordance with Michigan Rule 432.21510 Et Seq.

1. Licensee Name: Livingston Sunrise Rotary Foundation (“LSRF”)
2. Organization ID: 137336
3. License Number R53457
4. Race Date: July 4, 2019
5. Cost: \$5 each or 5 tickets for \$20.
6. Sale Ends: Ticket sales will end at 10:45 a.m. on the race date to ensure all ducks are ready at race time. Each duck is numbered with waterproof markers, which corresponds with the number on each ticket sold.
7. Method of Winning: A course for the ducks will be constructed at the east end of the mill pond narrowing to a chute permitting one duck to pass through at a time. Within 30 minutes after the parade passes the parade grandstand the pre-numbered ducks will be dropped into the mill pond. The ducks are all made of the same material and are of the same size and weight.
8. The natural current of the mill pond should send the ducks toward the chute; if in the event there is no current the local fire department may assist by hosing the water behind the ducks to encourage them along. The first duck to pass through the chute will be the first place winner, second duck, second place, etc. The ducks will be put into a numbered box in the order they are pulled from the chute (1, 2, 3, etc.) as to allow time to record the winning numbers. No one can touch, hinder or assist the ducks in anyway while they are in the waterway.
9. Announcing winners: Winners will be listed on the winner’s board and announced over a P.A. system and later listed on our website www.livingstonsunriserotary.org. Those holding winning tickets may pick up their prize immediately by producing their ticket and signing a receipt.
10. If a prize is not claimed on the race date: Those not present will be contacted by email or phone and informed to pick up their prize at a local business designated by the LSRF Duck Race Committee. They will be required to produce a ticket and to sign a receipt.
11. Winners not reachable: Those not available by email or phone will be sent a letter and/or certified letter confirming their winning number and will be asked to pick up their prize at a local business, designated by the Duck Race committee. They will be required to produce a matching winning ticket and to sign a receipt.
12. Prize claim period - All prizes must be claimed within 60 days from the race date. If a prize is unclaimed, refused, or the winner cannot be located within this timeframe, the prize must be disposed of in accordance with Michigan Rule 432.21515(5). The LSRF will either 1) Conduct another drawing using the original pool of remaining ticket stubs or 2) With written permission of the Michigan Bureau of State Lottery the LSRF shall donate the prize to a charitable organization with a charitable purpose as prescribed by R 432.21101(1)b.
13. Refund Policy – Tickets are non-refundable. All sales final.
14. Inclement weather/extenuating circumstances – The race will be held on the rescheduled parade date as determined by the parade organizers, or in the event this is not possible, the duck race will revert to a regular raffle with the ticket stubs being placed in a hopper and pulled to determine winners, with the first drawn awarded to the first place winner, etc.

The effective date of The Livingston Sunrise Rotary Foundation House Rules is 5/1/2019.

House rules will be posted in a conspicuous place on day of event, on our website (www.livingstonsunriserotary.org), a copy of rules will be given to each member selling tickets and a sufficient number of rules will also be available to hand out to all interested persons.

Date: 05/1/2019
