SCORE

Larry Willett, Chair, Ventura County Chapter

Janet Hartley introduced Larry Willett, Chair of the Ventura Chapter of SCORE. Larry indicated that the national organization had been founded over 50 years ago (1964) as a resource for the SBA. Its focus was not loans but assistance in running and starting a business. Larry felt that SCORE was "the most collaborative business resource organization in the country." Its success in economically starting a business, he said, is strong.

The Ventura County Chapter of SCORE, a non-profit (501C) organization was founded in 1971. Willett noted that they have been an active chapter since that time and currently have more than 40 volunteers. The counselors of SCORE Ventura County are active and retired successful business owners and managers. They volunteer their experience and knowledge to help established business owners and potential business owners achieve success.
