DISTRICT 5240 2018 NID TRIP

NEWS!!

District 5240 is putting together another team of Rotarians to India to participate in an NID (National Immunization Day) on January 28 - 29, 2018.

The trip will most likely start on January 22nd and end around Feb. 4th. This will entail some long hours and lots of walking (which means you need be in good shape, physically and mentally).

- ◆ A club sponsoring a participant can consider this as an international service project and should be prepared to explore worthy projects from the host districts in India. It is strongly suggested that the team member makes a presentation to the club on their NID experience.
- ◆ Preference will be given to those who have not participated in previous NIDs.
- ◆ Team members must be in good physical and mental health considering the stress and strains of long flying time and a busy and hectic schedule while in India. This requirement is very important.
- ◆ The District expects that the team members will become ambassadors of the Polio Eradication Program in their respective clubs and their local communities.
