**Things Rotary****The Object of Rotary**

The **Object of Rotary** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business and community life.

FOURTH. The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four – Way Test

(Created by Rotarian Herbert J. Taylor in 1932 and since then has been translated into more than 100 languages and used by organizations and individuals throughout the world.)

Of the things we think, say or do:

- 1) Is it the **TRUTH** ?
- 2) Is it **FAIR** to all concerned ?
- 3) Will it build **GOODWILL** and **BETTER FRIENDSHIPS** ?
- 4) Will it be **BENEFICIAL** to all concerned

Famous Martin Luther King, Jr. Quotations

- Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.
- I believe that unarmed truth and unconditional love will have the final word in reality. That is why right, temporarily defeated, is stronger than evil triumphant.
- If we are to go forward, we must go back and rediscover those precious values -- that all reality hinges on moral foundations and that all reality has spiritual control.
- One who condones evil is just as guilty as the one who perpetrates it.
- A nation or civilization that continues to produce soft-minded men purchases its own spiritual death on an installment plan.
- Injustice anywhere is a threat to justice everywhere. We are caught in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly.
- Nothing in all the world is more dangerous than sincere ignorance and conscientious stupidity.
- A man can't ride your back unless it's bent.
- We must accept finite disappointment, but never lose infinite hope.
- The question is no longer between violence and non-violence it is between non-violence and non-existence.
- The time is always right to do what is right.

Jokes Corner

Passing an Exam

Three patients in a mental institution prepare for an examination given by the head psychiatrist. If the patients pass the exam, they will be free to leave the hospital. However, if they fail, the institution will detain them for five years. The doctor takes the three patients to the top of a diving board looking over an empty swimming pool, and asks the first patient to jump. The first patient jumps head first into the pool and breaks both arms. Then the second patient jumps and breaks both legs. The third patient looks over the side and refuses to jump. "Congratulations! You're a free man. Just tell me why didn't you jump?" asked the doctor. To which the third patient answered, "Well Doc, I can't swim!"

What's your wife's name?

St. Peter is questioning three married couples to see if they qualify for admittance to heaven. "Why do you deserve to pass the Pearly Gates?" he asks one of the men, who had been a butler. "I was a good father," he answers. "Yes, but you were a drunk all your life. In fact, you were so bad you even married a woman named Sherry. No admittance." St. Peter then turned to the next man, a carpenter, and asked him the same question. The carpenter replied that he had worked hard and taken good care of his family. But St. Peter also rejected him, pointing out that he had been an impossible glutton, so much so that he married a woman named BonBon. At this point the third man, who had been a lawyer, stood up and said, "Come on, Penny, let's get out of here."
