PRESIDENT'S MESSAGE

I am very excited and encouraged as we approach the end of this Rotary year. The last few months have been remarkable in terms of service projects, international projects and donations, and success overall for our club. The willingness to serve and dedication to our goals and vision for the year that our members have displayed to get us to where we are currently is truly admirable.

As we approach the end of this Rotary year, we're facing some pretty huge milestones I'd like to highlight. The first milestone falls on April 18th, our Charter Date (it's our Birthday ya'll!). Rotary Sunrise will be celebrating 22 years of service to our community, and I hope you all are as excited and honored as I am to be a part of this truly astonishing, dynamic and resilient club.

Over those 22 years, the club membership has waxed and waned in the number of members, however, one thing has never faltered....our unwavering commitment to serve above self. We have proven time and time again that the needs of our community, both local and international, are endless and we work each and every day to try to make an impact for positive change. I hope to see you at our Charter Night event, where we'll be celebrating "A Night of Firsts" throughout our years of service.

The second, and probably the most significant event we'll be celebrating soon in April is our District Conference! DC 2024 Create Hope Conference will be held from April 28th through May 4th at the Marriott Hotel. This conference signifies the return of the event to Cayman after 10 years.

This is huge! Many of our very own Sunrise members, including myself, have been working diligently to facilitate what we expect to be one of the best District Conferences Cayman and our District have ever seen! I'd like to take this moment to say THANK YOU to all of the Sunrise members who are either serving on the Conference and District committees/boards, have volunteered to assist with the Conference, those who have made personal or professional contributions to the Conference, and those who are offering support to the Conference in other ways. Without you, we would not be able to organize and facilitate this Conference, and I can promise you all, it's going to be phenomenal! There's still time to sign-up, for those of you not registered just yet. Visit <http://www.d7020conference.ky/> to register.

Even though April is shaping up to be a busy month, let's keep in mind that we are almost there. The end of the Rotary year is in just a few short months, but we still have work to do before PE Marlon takes the reigns. I encourage you all to continue to attend our weekly meetings, service projects and respective committee meetings, to be informed of all upcoming projects and events. Our work isn't done! Let's end the year just as strong, if not stronger, than we began! We can Create Hope, one small step at a time.

Yours in Rotary Service,

A stylized, handwritten signature in blue ink that reads "A. Balderamos".

PRESIDENT 2023-24

QUARTER THREE **IN REVIEW**

From a plethora of Youth-focused outreach, hands-on International Service and Literacy events to engaging Guest Speakers at Regular Club Meetings, this quarter was great on all accounts!

GUARUMA **MEDICAL MISSION**

After almost 5 years, **Rotary Sunrise** and friends returned to the villages in the mountains along the Cangrejal River. Getting there was not an easy feat. Rotarians in Cayman donated cash, clothing, toiletries, and their time during our sorting and packing parties! With their help, we transported approximately 30 suitcases to our destination!

Days 1 and 5 were the designated travel days. Days 2 and 3 were scheduled for conducting medical and health screenings, treating illness, teaching basic disease prevention, and dispensing medicines. The medical team saw approximately 365 patients! Amazing!

The non-medical volunteers spent both service days at the distribution center managing the distribution of clothing, shoes, toiletries, and other supplies. On Day 4 volunteers explored the country by visiting local shops, and historic sites, completed a hike in the mountains, and even took a river bath!

Thanks again to everyone involved and we look forward to continuing this service during the 2024/25 RI Year !

VOLUNTEERS SHARE THEIR STORIES

As the largest project organized by the International Service Committee, Director Takeyce Palmer provided a report on the Medical Mission to Las Mangas, Honduras. In summary, the club raised approximately USD8,300 through donations from Rotarians and friends for the following:

- Mediation and Equipment
- Supplies (Medical and Dental)
- Ground Transportation (Volunteers & Villagers)
- Volunteer Meals

FULL REPORT](#)

The meeting continued with a Testimonial Panel with volunteers sharing their experiences and the project's impact on their lives. Thank you President-Elect Marlon Bodden, Secretary Laura Oseland, Prospective Rotarian Dr. Courtney Maylor, Janett Flynn, and past Rotarian Sharon Buckley for sharing with us your stories!

As a small gesture of our appreciation, **Rotary Sunrise** presented each volunteer with a certificate. Further, they will be invited to the International Service Committee's End of Year Social.

WINDSOR PARK JOINT CLEAN UP

It's always a great day of service and fellowship when we visit Windsor Park. Rotarians and Rotaractors came out in their numbers to complete the following tasks:

- Rake and dispose of debris
- Repaint Play Areas

Director Karina expresses her gratitude for the great turnout and thanks all members present for their continued support of **Rotary Sunrise's** hands-on outreach initiatives this year!

LITTLE RCGC TAKES OVER SUNRISE'S MEETING

What's a World Rotaract Week without a Takeover meeting? Each year, Rotarians look forward to when The Rotaract Club of Grand Cayman is responsible for all aspects of the meeting. *What does the fox say?* Attendees participated in a lively Animal Farm Icebreaker. After the groupings, one participant from each group shared their first job which in some instances was completely different from their current careers. The meeting continued with a year-in-review presentation, followed by announcements by both clubs. Continue doing a great job at grooming the next generation of Rotarians in the Cayman Islands. We at **Rotary Sunrise** are very proud of you guys!

INSPIRE CAYMAN RECEIVES \$1,000 DONATION

Vocational Service Month in January featured a passionate presentation by Michael Myles from Inspire Cayman Training. Not only did he share success stories of the program over the years, but ways in which Rotarians can contribute their time to change lives.

Further, on behalf of the Community and Youth Service Committees, President Andrea Balderamos, Director Edward Harper and Director Karina Palmer-Forde presented Inspire Cayman with a donation of \$1,000 in support of their ongoing efforts in the Cayman Islands.

LITTLE BLESSINGS SUPPLIES DRIVE

Rotary Sunrise kickstarted the World Rotaract Week celebrations with the Little Blessings Supplies Drive - a project specifically executed to raise funds and collect well-needed supplies for expecting and very new mothers in the Cayman Islands.

A big shoutout goes to Kensington Management Group for their contribution, Cost-U-Less Cayman for hosting us at their store, and all the volunteers who helped with soliciting, sorting, and packing donated items.

We are still accepting donations, so you can contact Director Karina to make your contributions. Stay tuned for more updates on our upcoming Community Baby Shower on May 25th. There will be educational sessions on breastfeeding, labour, and delivery, and infant first aid ~ all in a fun environment with music, games, and light refreshments.

MENTORING ROTARACT

Rotarians train adults and young leaders to prevent and mediate conflict, and aid refugees who have fled dangerous areas. During February, Rotary Peace Building and Conflict Prevention Month, we celebrated our commitment to building peace and mitigating conflict.

The Youth Service Committee held an entertaining and thought-provoking Mentoring and Fellowship event with the Rotaract Club of Grand Cayman on the Topic Crisis Management. Thank you Rotarian Hilton for the facilitation of this relevant topic to the Rotaractors. The night ended with a raffle and fellowship with the Rotaractors to strengthen interclub bonds.

Rotary Sunrise inspires the next generation of future Rotarians with EarlyAct!

EarlyAct is a school-wide service club for elementary/primary students from ages 5 to 13. The mission of EarlyAct is to promote goodwill, understanding and peace through the active participation of its student members so that with committed citizenship and effective leadership they may improve the quality of life of their school, local and global communities.

The EarlyAct Club in Cayman is sponsored by **Rotary Sunrise**, and operates out of the George Town Primary School. General meetings are held every second and forth Tuesday in the month. With March being Water, Sanitation and Hygiene Month on the RI calendar, Director Edward Harper attended their meeting and shared a little about HANWASH followed by fellowship and planning for their upcoming bake sale.

OPEN WATER POLO WITH BOYZ2MEN

Water polo is a competitive team sport played in water between two teams. A game consists mainly of the players swimming to move about the pool, treading water, passing the ball, and shooting at the goal. Teamwork, tactical thinking and awareness are also highly important aspects.

Rotary Sunrise supported Boyz2Men with this trial initiative as they gauged interests from the students. Thank you Director Edward Harper for continue representing our club.

CIIP PAUL ROBINSON STORYBOARD COMPETITION 2024

The CIIP Paul Robinson Storyboard Competition gives students the opportunity to share their favorite fiction books through a creative storyboard display. The event is similar to a science fair where the storyboards are displayed in public and entrants are invited to dress up like characters from their chosen book when presenting their storyboard. Each year, **Rotary Sunrise** not only contributes financially to the project but, actively participates in judging the entries. Congratulations to this year's Winners and Runners-up:

- **Div A (Indiv. 5-6 y.o.):** Winner - Kayli Donaldson, *The Very Hungry Caterpillar*;

YOUNG STORY WRITERS SHINE ACROSS THE CARIBBEAN

The Butterfly Storybook Project is a competition for young emerging writers in the Caribbean aged 7-11. With its 12th Installment of the initiative, the Rotary E-Club of the Caribbean, 7020 offers young people in the local community an opportunity to showcase their talents for story writing. We challenged these young minds to weave stories that capture the essence of the Caribbean spirit, infused with themes of kindness, friendship, leadership and respect.

The competition was fierce, with a wealth of captivating entries submitted. **Rotary Sunrise** had the pleasure of welcoming the below local winners as they graced us with readings of their stories and collected their well-deserved prizes:

- **Trinity Bonilla** with *"Tracey the Turle and her Best Friend"*
- **Siddharth Yedla** with *"Future of Cayman"*
- **Maya Stenson** with *"The Three Jungle Kids"*
- **Sathya Nidval** with *"Greg's Great Caribbean Escapade"* - Local Winner and selected by the District to be featured in this year's publication of the Butterfly Storybook!

Human Library 2024

The Literacy Committee thanks everyone who participated in the Human Library Event on March 7th, 2024. This was an event where individuals with unique and interesting life stories were able to share their takes in a safe and judgement-free space. The topics of the human books included:

- I Love My Brother, My Brother Loves Me: Our Journey With Mental Illness
- My Journey With Stage 4b Cancer
- I'm Back ...

We hope that all the 'readers' left with a better understanding and acceptance among all of us.

H.A.N.W.A.S.H.

WHAT IS IT?

***"Thousands
have lived
without love,
not one
without
water."***

-W. H. Auden

Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life. When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

HANWASH (Haiti National Water, Sanitation and Hygiene Initiative) is a collaborative national

initiative to provide safe, sustainable, and affordable water and sanitation to all the citizens of Haiti, along with the associated health, community and economic benefits. This initiative is led by Rotary International District 7020 and DINEPA (the Haitian Government's National Directorate for Water Supply and Sanitation), along with other non-governmental organization (NGO) partners, such as Haiti Outreach.

As part of our recognition of Water, Sanitation and Hygiene Month in March, Rotary Sunrise supported this cause and has donated \$2,000 towards continued efforts to provide clean water in Haiti. President Andrea Balderamos and Director Takeyce Palmer presented the cheque to District Secretary Stacy Parke who accepted the donation on behalf of D7020.

Rum tasting under the stars!

Back by POPULAR demand, our Rum Taste and Dinner fellowship in support of The Rotary Foundation, was indeed a good time for those in attendance! See below featured rums of the night:

- **Flor de Cana** 12 years (Nicaragua)
- **Dictator** 20 years (Colombia)
- **Pyrat XO Reserve** (Anguilla)

The dinner delivered on its promises to be a memorable evening of GOOD food, GOOD rum, and GOOD fellowship! With the help of the attendees and raffle held, we were able to raise approximately USD1,500.

All profits from this dinner was then donated to the Rotary Foundation to assist with their continued efforts of doing GOOD in the world.

It was also dubbed as a celebration of 119 Years of Rotary and 'Doing GOOD in the World', globally!

Special thanks to the organizing committee led by PP Deirdre McFarlane.

Well Done!

CASINO NIGHT IS BACK?

Great Gatsby Casino Night Fundraiser was a joint partnership with Cayman Connection, a not-for-profit, and their fundraising efforts to support Caymanians and friends living overseas.

Rotary Sunrise assisted the organisation with the rental of casino equipment, chips, training for dealers and manpower on the night. Patrons had the pleasure of enjoying a package that included:

- \$10,000 worth of playing chips to try your luck at Blackjack, Craps, Roulette & Texas Hold'em
- One glass of bubbles upon entry
- Live entertainment
- Formal photo opportunities
- Hors D'oeuvres
- Competitions on the night (horse racing, live auction, raffle and more!)

Further, **Rotary Sunrise** will receive a portion of the proceeds raised from this initiative.

MEMBER **SPOTLIGHTS**

WELCOME TO OUR NEW SUNRISERS!

We are happy to introduce our two newest Rotary Grand Cayman Sunrise members! Rotarians Joel Porter and Dale Nickason were inducted into our club this past quarter!

Joel Porter
Transfer Rotarian

Born and raised in West Bay, Grand Cayman, Joel Porter is a true community champion. Joel's journey with Rotary began in 2013 when he joined the Rotaract Club of Grand Cayman. Since then, he's held various leadership positions, including RCGC President for the 2019/20 term, showcasing his passion for service and community development. By day, Joel is the IT Manager - Core Banking Systems at Cayman National Bank, where he brings his technical skills and leadership to the table. Beyond Rotary and work, Joel finds joy in growing local fruits and vegetables in his garden, connecting with nature and his community in a meaningful way.

Rotarian Dale Nickason was inducted into our club by President-Elect Marlon Bodden on January 24th, 2024. He is sponsored by Past President Tony Catalanotto and was a former active member of the Club who always engaged in our service projects and fellowship events. CONGRATULATIONS! We are happy that Rotarian Dale has returned to us and we wish him all the best as he picks up where he left off.

ROTARY LEADERSHIP INSTITUTE

CONGRATULATIONS to all the Sunrisers who participated in Rotary Leadership Institute (RLI) Training this past quarter!

RLI is a grassroots coalition of Rotary districts implementing a leadership development program for “potential” leaders of Rotary Clubs. Established in 1992, RLI has become a worldwide organization with divisions in every Continent of the world.

In addition to the basic three-day course, RLI holds in-depth seminars on important Rotary subjects, including leadership, for the “graduates” of the basic course.

Secretary Laura Oseland and Sergeant-at-Arms Andre Seale both completed Part 1 while Rotarian Philip Buys completed Parts 1 & 2.

Director Kareem French completed Part 3, having already completed Parts 1 & 2 in October 2022, and graduated from the program!

Congratulations again, and we hope the lessons learned at this year’s RLI will better equip each of you on your specific Rotary journeys.

DARKNESS2LIGHT TRAINING

Darkness to Light's flagship training, Stewards of Children®, teaches adults practical actions they can take to reduce instances of child sexual abuse in their organizations, families, and communities. As Rotarians, we interact and mentor youths through several projects, and it was fitting to complete this training. Congrats to the following members and prospective members who completed the training this past quarter:

- Alison Maxwell
- Andre Seale
- Andrea Bryan
- Christopher Allen
- Christopher Hadome
- Delloy Peharie
- Dwight Allison
- Edward Harper
- Joel Porter
- Kareem French
- Laura Dixon
- Nanalie Cover
- Philip Buys
- Rhadica Bauldie-Welcome
- Shannon Hill
- Trecia Forbes
- Winston Connolly

Thank you IPP Karelle DaCosta and Directors Edward Harper and Kareem French for your assistance with both sessions!

LAURA O. DISPLAYS EXEMPLARY SERVICE ON ALL LEVELS!

ROTARIAN OF THE QUARTER (Q3)

It should come as no surprise that the Rotarian of this Quarter (Q3) is none other than our Secretary, Laura Oseland. Secretary Laura has shown great dedication and passion for Rotary since she joined our club, and in her role as Club Secretary, she has continued to do so and so much more! Congratulations Secretary Laura!

Secretary Laura joined Rotary Sunrise in October of 2022, after moving to the island from the UK. Even though she is fairly new to our club, Secretary Laura is well versed in Rotary. Her Rotary journey first began as a founding member and inaugural President of the Rotaract Club of Birmingham, UK, in 2014. She later joined Rotary in 2016 with the Birmingham Breakfast Club, then moved to the Rugby Saturday Breakfast Club. During her tenure as a Rotarian in the UK, Secretary Laura served as the District 1060 District Rotaract Chair (2017-2018) and RIBI District Youth Service Chair (2017-2018).

She also served on the District 1060 Leadership Board and assisted in facilitating a District Conference.

With her impressive 7 years of service, Secretary Laura has continued to exemplify Rotary's motto of Service Above Self. She is not only our Club's amazing Secretary, but she is also serving as the District Conference Sponsorship Chair, showing her willingness to go above and beyond what is asked of her.

Thank you, Secretary Laura, for your service to Rotary Sunrise and District 7020!

Congratulations again!
