What is Rotary?

Rotary International is an association of Rotary Clubs worldwide. It is made up of more than 33,000 clubs in over 200 countries and geographical areas. Rotarians form a global network of over 1.2 million business and professional leaders, all volunteering their time and talents to serve their communities and the world.

ABOUT OUR CLUB:

Our club was founded on September 21, 1982 and offers 5 avenues for service:

"Club Service" involves all of the activities necessary for Rotarians to perform in order to make their club function successfully. This required attending and participating in Club meetings and other club activities

"Vocational Service" is a description of the opportunity each Rotarian has to represent the dignity and utility of one's vocation to the other members of the club. Additionally, Vocational Service presents an opportunity for Rotarians to share Rotary ideals such as the four-way test with non-Rotarians in the workplace. Are we doing that daily?

"Community Service" pertains to those activities which Rotarians undertake to improve

the quality of life in their community. It frequently involves assistance to youth, the aged, handicapped and others who look to Rotary as a source of hope for a better life.

And the Fourth Avenue, "International Service," describes the many programs and activities which Rotarians undertake to advance international understanding, goodwill and peace. International Service projects are designed to meet humanitarian needs of people in many lands. Let's step up a notch and enrich our individual and collective experience. The fifth is New Generations which involves working with our youths in high schools and primary schools in building leadership skills.

OBJECTS OF ROTARY:

To encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarians occupation as an opportunity to serve society ;

THIRD: The application of the ideal of service in each Rotarians personal, business and community Life;

FOURTH: The advancement of international understanding, goodwill, peace through world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think say or do:

1. Is it the TRUTH
2. Is it FAIR to all concerned
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
