Rotary International President August Message

Shekhar Mehta

President 2021-22

As we focus on membership in Rotary this month, I ask you to help make history this year. For more than 20 years, our membership has stood at 1.2 million. Rotary is a vibrant organization with a 116-year history, members in more than 220 countries and geographic areas, and a rich legacy of work in polio eradication and other humanitarian programs. Rotary has changed so much in our own lives and the lives of others. As we Serve to Change Lives, don't you think Rotary could have an even greater impact on the world if more people were practicing Service Above Self?

My vision is to increase Rotary membership to 1.3 million by July 2022, and the call to action is simple: Each One, Bring One. This year, I want every Rotarian and Rotaractor to introduce a new person into their club.

We are a membership organization, and members are our greatest asset. You are the ones who contribute so generously to The Rotary Foundation. You are the ones who dream big to bring good into the world through meaningful projects. And of course, you are the ones who have put the world on the brink of eradicating polio.

As we make membership a priority this year, let us focus on diversity by reaching out to younger people and especially to women. Every club should celebrate its new members, and every Rotarian who sponsors a member will be personally recognized by me. And those who are successful in bringing in 25 or more members will be part of our new Membership Society.

Even as we share the gift of Rotary with others, let us be sure to engage these new members, because an engaged Rotarian is an asset forever. And remember that engaging our current members and keeping them in our clubs is just as important as bringing in newcomers. Let us also be ready to form new clubs, especially flexible ones. I am very bullish on clubs that hold virtual or hybrid meetings, and satellite clubs and cause-based clubs can also be very effective ways of growing Rotary.

President Ammesha's Acceptance Speech

As we embark on a new Rotary year, the club's focus will be on Membership and Continuity under the theme: **Membership: Continuity in Service and Service in Continuity.**

Our club has been built on a strong leadership foundation, and I am fortunate to have a membership that is fully committed to the Rotary ideal of Service Above Self.

Today I am here because I dare to stand on the shoulders of giants. We shall seek to honour the past but be bold in forging the future of our club.

The handover from one administration to another is akin to a relay. And IPP Audley has handed me the baton in a good position, having run a good leg, **in fact, two good legs in a row.**

Talk about Continuity in Service and Service in Continuity!

Rotary is evolving. I stand here today as the youngest President of the Rotary Club of St. Andrew. A few years ago, I would not have imagined that a club such as mine would have inducted and invited me to become President of this noble institution. But I am reminded of the words of Paul Harris:

"This is a changing world; we must be prepared to change with it. The story of Rotary will have to be written again and again."

I plan to write a new Rotary story, built upon the foundation handed to me, one that will inspire all to continue to be our brother's keeper. As your President, it will be my honour to forge partnerships that will enable us to serve our communities and bring about the meaningful change that we all want to see.

My service to Rotary has indeed changed my life for the better. My hope for my fellow Rotarians and persons who joined us here today is for us to continue to be bold in service as we work towards a common goal that is "Service Above Self."

President Ammesha's Acceptance Speech cnt'd.

The following will be the focus of my administration under the theme - **Continuity in Service, and Service in Continuity:**

- **Membership growth** and retention.
- Building the **Rotaractors** so they can become future Rotarians.
- Re-engage our **interactors** and **earlyactors** to start serving
- Create **fellowship opportunities** so members can grow their network.
- Increase **service opportunities** for members
- Build **sustainable projects** that will make a greater impact in the community - Boys Town will continue to be a fixture for the club as we create a lasting impact on the community's social development.

For the upcoming Rotary year, our Club's major project will focus on the further buildout of the Boys Town Community Centre. The project will see the establishment of a Community Library that will enable students to research, study for exams, use the library as a haven to read and explore the world outside of their communities.

We anticipate that this library will become a monumental feature at Boys Town that will also benefit the nearby Trench Town, Rose Town, Arnette Gardens and other communities.

In running my leg of this Rotary relay, I remain committed to the members of the Rotary Club of St. Andrew in Continuity in Service and Service in Continuity.

Thank you.

Ammesha Brown

The Wheelchair Club

By Lloyd Eubank-Green

Past President of the Rotary Club of St. Andrew

It takes time to build a reputation about something and to be known for that something. In this case the something is the Wheelchair Project of the Rotary Club of St. Andrew which started 19 years ago by 3 “accidents”. The first accident was when Rev. Dr. Webster Edwards invited me to brunch to have a talk about possibilities in Rotary. He revealed the enormous possibilities of international projects and awakened something in me.

The second “accident” came when my wife, Pauline, revealed that when her patients borrowed her wheelchair to get back to their cars they do not want to return her wheelchair so she wanted to know if through Rotary we could help these needy persons who are all over Jamaica.

The third “accident” was when Rotarian Gregory Dix, a Catholic from New Jersey, met me at Immaculate High School for Girls where I was President for the PTA for several years. He offered me some left over wheelchairs to be distributed to the needy in Jamaica. I took the project into our club, and of course we are positioned today as the wheelchair club of Jamaica, having distributed wheelchairs to the value of \$269,640,000 to the needy.

Rotary International President August Message cont'd.

As you grow more, you will be able to do more. Let us keep empowering girls through our work in each of the areas of focus. Scholarships for girls, toilets in schools, health and hygiene education — there is so much we can do. Projects focused on the environment are also attracting interest the world over. Do participate in these projects locally and internationally to make this world a better place for us and for all species.

Each of you is a Rotary brand ambassador, and all of the wonderful work done by Rotarians around the world needs to be shared outside the Rotary community. Use social media to tell your friends, colleagues, and relatives the stories of Service Above Self.

Finally, I’m challenging every club, during the coming year, to plan at least one Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your club in your community. Visit rotary.org to find out more about all of these initiatives, along with other ways to Serve to Change Lives.

😊 MOTIVATIONAL QUOTE 😊

Searching hopelessly for an honest person

by Webster Edwards

Diogenes an early Greek philosopher dramatically illustrated the culture of dishonesty that permeates the world.

One bright, clear day, Diogenes was walking up and down the marketplace in Athens, holding a lighted lantern high in front of him, peering around as if searching for something.

When people gaped and asked him what he was doing, he replied, "I am looking for an honest man."

Diogenes search was futile, as instead of honest persons, all he found were rascals and scoundrels. Is this true of the present context in Jamaica, that no one is completely honest?

A businessman recently confided in me that dishonesty is taking a toll on his business as he is struggling to meet the cost of personal, internal, and external security. Or think about the current avalanche of fake postings or the culture of lies with which we are currently inundated on the internet.

Today we must begin to change the picture or pay the ultimate price. We can begin by recognizing that the removal without permission of pens, and other inconsequential items from our places of employment is an act of dishonesty.

Honesty must always be regarded as the best policy, honesty in our thinking, honesty in the words that we speak and honesty in our daily activities.

ROTARIAN CODE OF CONDUCT

The following Code of Conduct has been adopted for use by Rotarians all over the World. This is based on "The Four-Way Test".

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills to mentor young people, help those with special needs and improve people's quality of life in the world.
4. Avoid behavior that reflects adversely on Rotary and other Rotarians.
