2. Vocational Service - calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.
3. Community Service - encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects.
4. International Service - exemplifies our global reach in promoting peace and understanding. We support this Service Avenue by sponsoring and volunteering on international projects, seeking partners abroad, and more.

Gordon R. McNally of Scotland selected to be 2023-24 Rotary International President

by Ryan Hyland

Gordon R. McNally, a member of the Rotary Club of South Queensferry, Lothian, Scotland, is the selection of the Nominating Committee for President of Rotary International for 2023-24.

Gordon R. McNally, a member of the Rotary Club of South Queensferry, Lothian, Scotland, is the selection of the Nominating Committee for President of Rotary International for 2023-24. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

McNally lauded Rotary's ability to adapt technologically during the COVID-19 pandemic, saying the approach should continue and be combined with the best of our past practices as Rotary seeks to grow and increase engagement.

"We have learned there is a willingness within communities to care for one another," he says, "and we must ensure that we encourage people who have recently embraced the concept of volunteering to join us to allow them to continue giving service."

McNally says that senior leaders' ability to communicate directly with club members online will be one positive legacy of the changes Rotary has had to make. But, he adds, "face-to-face meetings remain important, as they encourage greater interaction."

The best way to increase membership is engagement, according to McNally. To better support clubs, he says, Rotary International, regional leaders, and district teams all need to engage with them. Engagement through social media will reinforce Rotary's brand and showcase the opportunities that come with it. And, he says, engagement with governments, corporations, and other organizations will lead to meaningful partnerships.

With better engagement, McNally says, "We will grow Rotary both by way of membership and in our ability to provide meaningful service."

He adds, "Membership is the lifeblood of our organization. I would encourage the use of the flexibility now available to establish new-style clubs that would appeal to a different demographic."

McNally, a graduate of dental surgery at the University of Dundee, owned and operated his own dental practice in Edinburgh. He was the chair of the British Paedodontic Society and has held various academic positions. He has also served as a Presbytery elder, chair of Queensferry Parish Congregational Board, and commissioner to the church's general assembly.

Be a role model for Each One, Bring One

By Elizabeth Usovicz, Rotary International Director, Zones 30 and 31

Rotary connections are powerful, for both current and future members. After 16 months of lockdown, online business and virtual Rotary meetings, I recently met a longtime client for lunch. The restaurant we chose was quiet that day, and the dining area was empty except for one table.

Our fellow diners were two young men of different races. They seemed to be talking about business as my client and I were seated at a nearby table. We didn't focus on their conversation until our ears perked up like hyper-alert terriers when we heard one of them say, "Rotary."

Expanding the conversation

My client is a past president of her Rotary club, and we both began to listen in on the young men's conversation. One was explaining the motto of Rotary, Service Above Self, and the service projects of his local Rotary club. "I have to introduce myself," I told my client excitedly. She laughed as I slid out of my chair and moved toward their table.

They looked up, surprised, when I approached them. "Excuse me," I smiled. "My colleague and I heard you say 'Rotary' and we wanted to introduce ourselves." I pointed to my lapel pin. "We are both Rotary members too!"

Each One, Bring One – and beyond

As it turns out, one of the men, Jeff, is a member of the Rotary club of Lee's Summit, Missouri. He was discussing Rotary with Jordan, a prospective member.

Jordan grinned in amazement at our Rotary connection, which happens every day for Rotary members across the globe. "Wow!" he said. "You mean people in Rotary just find each other like this?" My client, Jeff, and I each smiled. "We all serve," I replied. "We are people from all backgrounds, all walks of life, and we all serve our communities."

That brief exchange was a simple, yet powerful moment of Rotary pride and purpose for three Rotary members. For Jordan, it was an impressive example of the strength of the Rotary network and our capacity to connect people across communities.

Each one of us is a role model for growing Rotary

Since that lunch meeting, Jordan has visited Jeff's club twice and is on the path to becoming a member. Jeff's support of the Presidential Initiative, "Each One Bring One" prompted me to reach out to three prospective members.

What if each of us did the same? What if each of us encouraged the formation of a new club? By this time next year, our Rotary network and our capacity to connect people across the globe will be even more powerful. All we need to do, like Jeff, is to be a role model for Each One, Bring One. Find your Jordans and invite them to lunch.

Rotary launches new membership recognition program

To recognize those who have demonstrated extraordinary commitment and success in growing our membership, we have launched a new recognition program. The Membership Society for New Member Sponsors is a virtual gallery for those members who have sponsored 25 or more new members. Members can achieve different tiers of recognition as they continue to sponsor more members. The recognition levels are:

- Bronze Level: Sponsored 25-29 members
- Silver Level: Sponsored 30-49 members
- Gold Level: Sponsored 50-74 members
- Platinum Level: Sponsored 75+ members

To be included in the Membership Society, an individual has to have sponsored 25 or more new members, and have reported those sponsorships to Rotary. New member sponsorship can only be between active members in the same club, and does not include charter members of a new club.

DG Louis - August Message

Dear Fellow Rotarians,

Welcome to the second month of the Rotary Year where we celebrate Membership & New Club Development. Being a Rotarian is the best choice you will ever make – Rotary is not only a Service Club, it is also a network of business professionals with high ethical standards. Being in Rotary you learn about cultural awareness, people skills, leadership skills and public speaking. Rotarians are the movers and shakers of our communities, we are the problem solvers who share ideas, and take action to create lasting change

At this moment there are over 1.2 million Rotarians in over 35,000 countries Worldwide. For almost 116 years, Rotarians have bridged cultures, and connected continents to champion peace, fight illiteracy, and poverty, promote clean water & sanitation and fight diseases.

Rotary International President Shekhar Mehta's call for action is "Each One Bring One", his goal for this Rotary Year is to increase the membership to 1.3 million by June 2022 – all it takes is for one person in each Club to bring in a new member! We can do more service when new members join our Clubs by assisting financially, and bringing new ideas for projects and fundraisers.

On the other hand, we also need to retain the existing members which is very important. The Members are the backbone of the Clubs and each Rotarian has something valuable to contribute. There are a few ways to retain existing members such as making Club Meetings fun, and humorous without losing sight of Rotary's mission, ask members for their feedback, provide leadership opportunities and put the member's skills to use and recognize them for their efforts.

I encourage you all to also tell your Rotary Story, of why you joined Rotary, your most memorable moment of being a Rotarian and what makes your Club special. In doing so, let's inspire others around us to join and commit to "Serve to Change Lives".

Yours In Rotary Service,
Louis Wever
District Governor
District 7020

Never allow anyone to tell you how to think or what to believe.....these are always danger signs

by Webster Edwards

We can never know people fully, even from the frequent interactions that we have with them.

They sometimes impress us by painting glowing pictures of themselves and their achievements.

But "all that glitters is not gold", and if what they say sounds too good to be true, chances are that it is not true.

Listen intensely for the subliminal messages which sometimes reveal evidence of deep character flaws.

Resist strenuously anyone who tries to tell you how to think, what to believe or to force you to accept anything that runs counter to your core beliefs. These are attempts at control and are real danger signs which could come back to haunt you like a persistent nightmare.

Life can be beautiful, and it is your only life, try to live it meaningfully so that there will be no future regrets.
