May Rotary friends and Rotary ways  
Help us to serve Thee all our days

## FOUR-WAY TEST

*of things we think, say or do*

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it BUILD goodwill and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster.

**FIRST:** The development of acquaintance as an opportunity for service.

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupation as an opportunity to serve society.

**THIRD:** The application of the ideal of service by each Rotarian's personal, business and community life.

**FOURTH:** The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

## MEMBERSHIP RULES

Your membership in Rotary Club may be terminated by any of the following:

1. Resignation;
2. Failure to pay your dues during the 30 days after January 1 or July 1;
3. If you miss four consecutive regular meetings without makeup or being excused by the Board or Directors for good and sufficient reason;
4. Attendance below 60% average for each 6-month period, January 1 to June 30, and July 1 to December 31, unless excused by the Board of Directors for good and sufficient reason.

## THE FIVE AVENUES OF SERVICE

1. Club Service - focuses on making clubs strong. A thriving club is anchored by strong relationships and an active member development Plan.
2. Vocational Service - calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct..
3. Community Service - encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest.  
Learn more in Communities in Action: A Guide to Effective Projects.
4. International Service - exemplifies our global reach in promoting peace and understanding. We support this Service Avenue by sponsoring and volunteering on international projects, seeking partners abroad, and more.
5. Youth Service - recognizes the importance of empowering the youth and young professionals through leadership development programs such as Rotoract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

# 11 WAYS YOU CAN CREATE A MORE PEACEFUL WORLD

*By Rotary Service*

*By Rotary Service and Engagement*

Through our service and peacebuilding projects, peace fellowships, and other various peace programs, our members are taking action to address the underlying causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources.

During February, Rotary Peacebuilding and Conflict Prevention Month, build peace and mitigate conflict by:

1. Incorporating conflict resolution and mediation strategies into service projects involving local schools, orphanages, workplaces, and community centers. Contact the **Rotarian Action Group for Peace** for assistance.
2. Supporting marginalized groups in risk of violence or persecution by providing relief to those who have fled areas of conflict.
3. Participating in fellowship and service activities with Rotary clubs in other parts of the world to promote greater international understanding.
4. Recruiting candidates for a **Rotary Peace Fellowship**. Up to 100 peace fellowships are offered annually at Rotary Peace Centers at universities around the world.
5. Supporting your district's participation in the Rotary Youth Exchange program, where youth between 15 and 19 years of age study abroad while building international bridges as ambassadors of their country and culture.
6. Joining your district's **Rotary Friendship Exchange program** to experience service, fellowship or a profession in a different culture while making new life-long friends and fostering international awareness and understanding.
7. Working with your district to start a new **Intercountry Committee**: a relationship between two or more international districts that strengthens cooperation for global understanding, goodwill and service.
8. Completing the **Positive Peace Academy**: a digital course on the Positive Peace framework to help you improve peacebuilding and development work in your own community.
9. Becoming a **Peacebuilding District** by supporting the Rotary Peace Centers by allocating a minimum of US \$25,000 annually in District Designated Fund donations.
10. **Celebrate Rotary and the United Nation's** 75-year legacy of humanitarian cooperation on 5 June immediately before the RI Convention in Honolulu, Hawaii.
11. Explore local partnership opportunities with **Rotary's partners** working in the peacebuilding sector: Peace Corps, Mediators Beyond Borders International, and ShelterBox.

# THE FOUR-WAY TEST ISN'T A TOOL TO JUDGE OTHERS

*By Martin "Marty" Postic Jr., past governor of District 5750 and a member of the Rotary Club of OKC Sunrise, Oklahoma City, Oklahoma, USA*

In our contentious society, I see friends who are members of Rotary use The Four-Way Test to support opposing political and social arguments and to criticize the thoughts, statements, and actions of others. I see members with completely opposing viewpoints use the same Four-Way Test to both support their argument and demean others. Rotarians and others are using all forms of social media to share their opinions about perceived violations of The Four-Way Test, causing others to pile on additional comments and insults, all with little thought to how this affects our public image.

Which leads me to this basic premise:

## THE FOUR-WAY TEST IS A MIRROR, NOT A WINDOW

Rotary members should not use The Four-Way Test to look at others but rather to look at themselves in considering the ramifications of a thought, statement, or action. It should not be a **window** through which we look to judge others. It is a **mirror** at which we look to judge ourselves.

The argument I've heard Rotarians make is that if they determine some thought, statement, or action violates any part of the test, it is their duty to declare that thought, statement, or action wrong. I have heard The Four-Way Test used to support any number of topics, some which readers would find hard to support. Yet through the Internet, one can cobble together any sort of argument to back any thought or concept with a plethora of "facts."

I do not believe that is what The Four-Way Test is about. I believe the test is more about how we treat each other than how we measure ideas.

Of course, it is a challenging standard. It's difficult to keep from **thinking** something. But what is more important is how you act on that thought. If you **think** to yourself, "I don't like this person," it becomes a matter of what you do with that thought. You can try to dispel it as well as any urge to take some negative action to satisfy your dislike of the person. You can also decide whether you say something to that person or tell others what you think.

This is where social media distorts things, because society now seems to embrace negative, vitriolic, or fake comments – as long as the comments agree with our own views. Posting such comments even in the name of The Four-Way Test is certainly not FAIR to all concerned and definitely does not build GOODWILL and BETTER FRIENDSHIPS.

This brings me to the realization that using The Four-Way Test to argue political and social issues is in itself contrary to the test. We must never use the test to support a position while opposing or berating someone else's position. We should not use The Four-Way Test to support or oppose contentious "hot button" issues, to comment on political discord, or to respond to another's comment.

We need to **teach** The Four-Way Test to all of our friends. We don't need to **preach** it. Rotary takes pride that it is a non-political, non-religious organization. That has allowed us to make inroads in parts of the world where governments and religious organizations can't. Let's not sully Rotary's reputation by using these 24 words of ethical and moral thought to tear each other down.

# ght Luncheon Meeting

# WORKING TOGETHER FOR PEACE

At the Rotary Peace Symposium and Peace Fellow Conference in June in Germany, 80 **Rotary Peace Fellows** had the opportunity to come together and share our work, insights and ideas for building peace. We also discussed how to work together more closely as a network of 1300+ peacebuilders, alumni of the Rotary Peace Fellowship program, from over 100 countries. We were convinced that there was a need to gather as a group of talented individuals: professionals with expert knowledge and vast experience, passionate about building a more peaceful world.

We emerged from the Hamburg gathering with an action plan to form a **Rotary Fellowship** for Rotary Peace Fellows, officially approved by the RI Board in October. The Rotary Peace Fellow Alumni Association aims to unite Rotary Peace Fellow alumni, increase networking opportunities among Fellows, and facilitate collaboration with clubs and districts to expand the promotion of peace around the world. We envision a united Rotary Peace Fellow community, working together to expand peacebuilding and sustain peace in the world.

Many Peace Fellows already support each other, and many also already work with Rotarians on peacebuilding projects. One-third of alumni recently reported that they've collaborated with a Rotary or Rotaract club on a project, and 86% said that they are in frequent contact with the other fellows in their graduating class. Through our new organization, we can make sure that every Peace Fellow has the opportunity to work with Rotary networks and partners as they build peace in their personal and professional lives.

The Rotary Peace Fellowship Alumni Association is planning several networking events, and our members have already begun working with Rotarians around the world to plan district events aimed at generating peacebuilding projects. This is just the start of a brilliant path! Working together through a Global Board of Directors and Regional Coordinators, our new Fellowship starts to be an integral part of the Rotary family. Come say hello at our RPFAA booth at the 2020 Peace Conference in Ontario, California!

Provisional RPFAA Board Members Erin Thomas and Magdalena Zurita recently joined Rotary clubs in Oregon, USA and Argentina and are already very active with planning peace programs in their clubs and districts. The entire board is very committed to finding bridging opportunities between Peace Fellows and Rotarians wherever they exist.

# BOYS' TOWN WATER (WELL) PROJECT

Through improved water management systems, the Boys Town Water Project (BTWP) aims **to create an innovative, low-cost, solar-powered and community based water supply which improves the health and wellbeing of users of the facility, including community residents** through the following objectives:

1. Increase **psycho-social** activities through improved green spaces (sports, entertainment and recreation) and community assets
2. Provide greater **income** opportunities for community interventions
3. Improve **educational outcomes** due to school supplying consistent sanitation and hygiene facilities
4. Improve access to **healthy eating** through urban gardening

This project is based on the premise that the local management of community water management systems are essential in ensuring and sustaining water supply and sanitation services throughout the community. Boys' Town has continued to degenerate over the past decades, and lacks many of the basic amenities needed for community growth. This project will address that in a number of important ways.

***The key components of this project are:***

1. **Equipment and Installation** – Irrigation Water: purchase and install a solar water pump and panels for the existing (non-operational) well next to the Infant and Primary School and Sports Field (Football and Cricket). This also includes storage tanks, testing materials and piping installation.
2. **Equipment and Installation** – Potable Water: install storage tanks, treatment and testing facilities and piping installation to allow for the supply of potable water.
3. **Development and Implement a Management Team** to oversee the implementation and operation of the project/water supply system.
4. **Development of Use of Well, Maintenance and Security Plan/Manual**
5. **Create and deliver a public awareness campaign** to users and residents on the goals of the Water Project, and how to maintain the facility and services.

## MOTIVATIONAL QUOTE

### “Making the best out of life”

By Webster Edwards

“ Make the best out of life, taking into consideration the situation in which you find yourself.

As it is in a game of dominos, cease complaining and play to the best of your ability the cards that you have been dealt.

The perfection of a tree in a riverbed is judged by it's environment of soil and climate, together with the daily molestation by passers by and animals. It might not be a perfect tree but it has done all that can be expected under adverse conditions.

It might not bear fruits, might have some roots exposed, might be twisted, devoid of leaves, stripped of bark, not at all an ideal tree of it's species, but it has weathered the storm and prevailed in being the best tree possible under the circumstances.

**So it is with life, the conditions will not always be ideal, disappointments and frustrations will always be experienced. It is our reaction to the disappointments that will determine whether we grow or simply wither away.**

It is your life, live it right and make the best of what is in your hand.

### ROTARIAN CODE OF CONDUCT

The following Code of Conduct has been adopted for use by Rotarians all over the World. This is based on “The Four-Way Test”.

#### **As a Rotarian, I will:**

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills to mentor young people, help those with special needs and improve people's quality of life in the world.
4. Avoid behavior that reflects adversely on Rotary and other Rotarians.
