Your Advantage...Our Passion

Through Rotary's shared efforts, 'peace will come'

By Olha Paliychuk, Rotary Club of Cherkasky, Ukraine

I live and work in central Ukraine, not far from Ukraine's capital city of Kyiv. It was a long journey getting to convention: first by bus to the border of Poland, and then across the border and taking a long flight. But all the efforts are worth it. As we say in Ukraine, "To see a friend, no road is too long."

I'm very honored – and happy – to be in Houston with my Rotary family and friends. I stand here on behalf of more than 1,000 Rotary members in Ukraine to say **Thank You**.

In February, when the war against my country began ravaging our families and communities, you – my fellow Rotary members around the world sprang into action. You have not only donated and shipped medical supplies and other daily essentials to those of us inside Ukraine, but also provided shelter to those who have fled. Your help has saved lives, giving us hope and inspiring Ukrainians like me to stand up, to help our people, and protect our homeland.

My city of Cherkasy is located a few hundred miles south of where the Chernobyl nuclear accident happened in 1986. Nearly 40 years later, we still feel the terrible legacy of the nuclear disaster. Many children grew up with their bodies decimated by cancer and abnormalities. As a gynecologist oncologist, I work at a hospital where many young cancer patients come to receive treatment.

Over the past three months, those patients who are struggling for their very lives -are facing another type of danger – brutal Russian military attacks. Our work is constantly disrupted by the loud explosions of bombs and rockets. We treat our patients in an atmosphere of fear. When will the next bomb strike, we ask ourselves?

We had to place sandbags to cover all the windows of our hospital to protect our operating theater.

At the same time, hospitals across Ukraine such as mine now treat serious wounds, and bullet injuries, for both civilians and soldiers. When we do surgeries on women and children or treat newborn babies, we don't even have access to the basic medical supplies and equipment such as patient monitors, operating tables, lamps, or mobile incubators.

5 interesting people I met at the 2022 Rotary Convention

By Jeris Gaston, Rotary Club of Birmingham, Alabama, USA

A Rotary convention is a time to reflect upon the past year, look forward to the year ahead, and connect with friends, old and new, from around the globe. But it's also a celebration of all things Rotary. The people gathered together are what make this event special. Being together again, in person, after a two-year hiatus made the 2022 Rotary International Convention in Houston even more sweet. A big part of convention is meeting people. So in that spirit, I want to introduce you to five interesting Rotarians I met in Houston:

1. While visiting the Rotaract Preconvention, I met Philip Flindt, a Rotaractor from Denmark who will begin serving as a Rotary Public Imagine Coordinator in a few short weeks. Notably, he will be the first Rotaractor to serve in that capacity. Be on the lookout for great things from Philip!
2. The House of Friendship is always a great place to meet new people, and this year was no exception. While working my club's booth promoting our 2023 Rotary Peace Conference in Birmingham, Alabama (come join us!) I visited with Rotarian Scott Nelson from Michigan, who shared his passion for a vegan diet and the link between social harmony and health. I certainly thought twice before ordering dinner that evening!
3. While doing some light shopping in the House of Friendship, I met **Sybella Namigadde**, a friendly vendor selling beautiful Ugandan clothing. She is an accountant for a living but is hard at work building her clothing business. Her mother is a Rotarian, and after such a positive experience in Houston, she is now considering joining Rotary herself!
4. I met Marissa Multari, past president of the Capital Region Rotary Club in Albany, New York, during a breakout session. Breakout sessions are a fantastic way to learn nuggets of knowledge to take back to your club and district. While

Through Rotary's shared efforts, 'peace will come' cont'd.

As a surgeon, I'm used to major medical emergencies. But preventable tragedies caused by this unprovoked war fill me with anger and sadness.

Members of my own family are supporting me through this difficult time. I inherited my determined spirit from my parents, who are also doctors. My trip here enables me to reunite with my 21-year-old son, Pavlo. My son lives in Toronto and is attending his second Rotary convention.

My fellow Rotarians, along with my family members, are inspiring me to devote myself to helping others. One of the unique things about Rotary is that we have volunteers working on the frontline. I want to tell you proudly that our Rotary networks in Ukraine are doing an amazing job. Our district holds special online meetings twice daily to identify needs inside Ukraine and coordinate humanitarian aid with clubs in our neighboring countries.

I'm also leading our district's medical response. The International Rotary Fellowship of Healthcare Professionals meet every week to allocate care and materials, and to assess the growing needs. I can tell you that your donations are being delivered to those –who are most in need.

As the international community of Rotary reaches out to help Ukraine, we are helping to build strong connections and friendships. As the war drags on, Ukraine will need your continued support. I hope to deepen our bonds and to plan for the future. With our shared efforts, peace will come.

Rotary International President's June 2022

What a year it has been for Rotary.

You have lived up to every challenge, including to grow more, do more, and Rotary has grown in a way that we haven't in many years. This year saw life-changing new projects across all areas of focus, as we took up important work at the highest level — with UNICEF, the Commonwealth, and global leaders. Our efforts opened opportunities to empower girls, improve the environment, and advance literacy and health.

I want to thank each of you for your proactive service. I also want to thank the wonderful Rotary staff for ensuring that we can work with care for our fellow human beings, with peace in our hearts.

Personally, this has been an extremely enriching year for Rashi and me. We've met with thousands of Rotarians and been inspired by their great work around the world. We were also able to showcase Rotary's work at the highest level, meeting with heads of state, leaders, and bureaucrats and offering to work with them to show that Rotary cares and brings peace in this world. With our swan song, Rashi and I wish you the very best as you Serve to Change Lives.

Shekhar Mehta

President 2021-22

Working with Habitat to provide a place cnt'd from p12

attending the session "Family, Career & Rotary, she bravely stepped in to help the leaders navigate the online session chat and she did a fantastic job. It was a notable 'service above self' moment!

5. Last but certainly not least, I had a chance to meet President-Elect Jennifer Jones! She took time to meet and chat with Rotarians and Rotaractors from several districts during an evening reception. Her vision for Rotary is inspiring and we are all thrilled to 'Imagine Rotary' together in the upcoming year!

This year's convention was one for the record books. If you weren't able to make it, go ahead and register now for Melbourne 2023. You never know the interesting people you will meet, and we hope to see you there!

☺ MOTIVATIONAL QUOTE ☺

REAL FRIENDSHIP INVOLVES PERSONS ON WHOSE SHOULDERS WE CAN ALWAYS RELY

by Webster Edwards

We all need friends in order to live meaningfully in the world.

It has been irrefutably proven that persons who share close friendships are happier, endure stress much better, live much longer and are real inspiration to others. Real friendship does not come easily, it is a gift to be treasured, and is undoubtedly a blessing from the Creator.

Friends continually inspire us, help us to face the uncertainties of each new day, teach us vital life skills and when we are down, they are the ones on whose shoulders we can lean and who assure us that there is always "a bright light shining at the end of the tunnel".

Persons who are close friends form a bond which very often transcends the relationship that exists with even members of their own family.

That is why it is so painful when one loses a friend. It induces a feeling of emptiness and leaves a void that is sometimes difficult to fill. But always look out for the unexpected, don't depend too much on anyone, people change over time, and self interests and even deception will sometime intervene.

The words from the unknown writer speaks eloquently and with such clarity on the inevitability of separation when he said "even your own shadow leaves you when it is dark".

ROTARIAN CODE OF CONDUCT

The following Code of Conduct has been adopted for use by Rotarians all over the World. This is based on "The Four-Way Test".

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills to mentor young people, help those with special needs and improve people's quality of life in the world.
4. Avoid behavior that reflects adversely on Rotary and other Rotarians.
