1. Club Service - focuses on making clubs strong. A thriving club is anchored by strong relationships and an active member development Plan.
2. Vocational Service - calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in An Introduction to Vocational Service and the Code of Conduct.
3. Community Service - encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in Communities in Action: A Guide to Effective Projects.
4. International Service - exemplifies our global reach in promoting peace and understanding. We support this Service Avenue by sponsoring and volunteering on international projects, seeking partners abroad, and more.

## Reimagining Rotary

*It's been a challenging year, but Rotary has proven again that we can adapt and thrive in the face of change. The lessons we learned this year will shape our organization for years to come.*  
— **Rotary International General Secretary John Hewko**

When the Rotary year started on 1 July 2020, we were nearly four months into a pandemic. We were not immune to the fear, uncertainty, and loss experienced by millions around the globe. During this challenging time, our members rallied behind a shared purpose to connect and serve. In-person meetings turned into virtual gatherings, and service projects began to include sewing masks and donating personal protective equipment to first responders. Through it all, the RI staff has continued to support members and operations and find new ways for Rotary to thrive, while still delivering on the promise of our four Action Plan priorities. Rotary added a new area of focus — the environment. We awarded our first multimillion-dollar grant and achieved a major milestone in ending polio. We developed learning opportunities to keep members engaged and introduced technology that enhanced the membership experience. Although this was indeed a challenging year, as people of action, we knew that the world needed Rotary to step up like never before. And we did.

### Enhancing the Rotary experience

Like the people and communities that we serve, our members need to know that they are seen, heard, and valued. This year, we focused on enhancing the experiences of our members and participants by providing meaningful, engaging opportunities that furthered their personal and professional goals.

### The state of membership

During 2020-21, membership remained relatively steady with more than 1.4 million Rotarians and Rotaractors in more than 46,000 clubs. As existing clubs continue to attract new members and engage current members, hundreds of new and different types of clubs have also been formed. These new clubs are helping to expand Rotary's reach and attract new and more diverse participants.

This year, we continued to put a strong action plan behind our **Diversity, Equity, and Inclusion (DEI) statement**. Rotary leaders convened a **DEI task** force composed of Rotary members and participants with professional backgrounds in this work to ensure that DEI is further ingrained in Rotary's culture. Our first step was to assess how diversity, equity, and inclusion are perceived and experienced by Rotary members around the world, so we conducted the organization's first DEI survey to hear directly from our members about their experiences. The survey results will help us develop an actionable plan that leads to change and strengthens Rotary for the future.

### Learning from home

During the times when many of our members were heeding the advice of local and global public health experts by staying at home to limit the

## Promoting Peace

Today, over 70 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children.

We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

### Rotary creates environments of peace

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peacebuilding today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peacebuilding, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

### Rotary's Four Roles in Promoting Peace Rotary and its members are:

**Practitioners:** Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.

**Educators:** Our Rotary Peace Centers have trained over 1,300 peace fellows to become effective catalysts for peace through careers in government, education, and international organizations.

**Mediators:** Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.

**Advocates:** Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.

## Reimagining Rotary cont'd from p9.

spread of COVID-19, they turned to Rotary's Learning Center to enhance their skills and learn new ones. In fact, members completed more than 144,000 courses this year, including newly created courses about Rotary's public image and diversity.

Through our alliance with Toastmasters International, we also introduced an eight-course leadership and communication series that encourages people to practice their skills with others. To date, we've had over 15,000 registrations for these courses.

The Learning Center now offers interactive courses to our youngest participants, too. Service-learning is a proven method for empowering young people to address the causes of community problems and hone their leadership skills. Developed in partnership with the National Youth Leadership Council, our new service-learning courses are designed to teach young people to spark and create lasting change, building a path for a lifetime of service.

### Beyond the club experience

We added five new Rotary Fellowships this year, bringing our total to more than 90. Through Rotary fellowships, members can refine their craft, participate in shared hobbies, and build professional skills outside their clubs.

The addition of two new Rotary Action Groups — the Rotary Action Group for Menstrual Health and Hygiene and the Rotary Action Group for Refugees, Forced Displacement, and Migration — means that members now have 27 action groups that they can join to help clubs and districts design and implement service projects.

### Never throw in the towel

by Webster Edwards

*Things might not be going right, but never throw in the towel and call it a day.*

*Embrace the spirit of optimism, always seeking to find possibilities in whatever situation that may arise.*

*When things seem daunting and all seems lost, work even harder to prevent yourself from becoming frustrated.*

***Face the difficulties with boldness, and live with a sense of expectancy that all will eventually be well.***

*As the darkest hour is just before dawn, there is possibility in the worst of circumstances, and we can certainly find purpose in the most trying experiences of our times.*
