## HOW TO ENGAGE MEMBERS DURING THE CORONAVIRUS PANDEMIC

Keep members engaged through virtual meeting platforms.

*By George Robertson-Burnett, Zone 34 Rotary Coordinator and past governor of Rotary District 6890*

These are certainly interesting times we live in. None of us could have foreseen these extraordinary circumstances brought on by the COVID-19 pandemic, caused by the novel coronavirus. Rotary clubs everywhere are wrestling with the question, How do we maintain membership engagement during the pandemic?

Well, this is Rotary and I am sure that these challenges will bring out our considerable strengths – ingenuity, decisiveness, flexibility, and integrity.

Here in Zone 34 (Georgia, Florida, USA and Caribbean), our Rotary Coordinator team has put together a guide to assist clubs in their efforts to maintain membership engagement during these difficult times. The suggestions are not exhaustive, and many clubs will surely come up with new ideas as their ingenuity and adaptability finds new and innovative ways to maintain our fellowship. But we wanted to offer this guide to all clubs as they explore online meetings and other adaptive solutions.

One of our Rotary e-clubs, the Rotary E-Club of the Caribbean, is generously offering to set up online meetings for clubs in our zone at no charge. We suggest you check with e-clubs in your area for help and advice on structuring online meetings.

## CANCELLATION OF 2020 DISTRICT 7020 PETS, ASSEMBLY AND CONFERENCE

Dear Fellow Rotarians,

The Coronavirus, specifically COVID-19 is changing the course of events and our lives at a rapid pace. No country is immune from its impact. At the time of writing sixty-four cases were reported in the Caribbean, sixteen of which are in five countries in District 7020.

In light of this reality, the outlook by the World Health Organization, other health authorities and updates from Rotary International, regrettably, the decision has been taken to cancel 2020 PETS, Assembly and Conference in the beautiful British Virgin Islands. Needless to say, the BVI Rotary Family was truly looking forward to hosting you.

A robust online PETS programme will be developed and in time you will hear more about this from District Governor-Elect Charles Sealy and his team. Also, under consideration is the viability of a streamlined, on-line, one day Conference. A firm decision on this will come later. In the meantime, our Conference Team to whom PAG Audley and I are truly grateful for all their hard work will determine how best to manage the implications of this cancellation including registration refunds.

On a separate but related note, as clubs suspend in person meetings I strongly urge that you embrace the use of online meeting tools to stay in touch, to be of support and encouragement for each other, and to see how best you might be able to assist your community during these uncertain times. I am, therefore, extremely pleased to see the outreach by the E-Club of the Caribbean. We can also learn some best practices for staying in touch from our clubs in Haiti. All but one were on lock down and unable to meet in person for about seven months and they came out of that situation quite strong.

Finally, please continue to exercise personal care and respect the decisions of the health authorities in our respective countries to help control COVID-19.

Many thanks for your support and for your continued commitment to Rotary.

Very best regards

**Delma Maduro**

## ROTARY'S PEACE INITIATIVES AT A TIPPING POINT

*By Chris Offer, Rotary Club of Ladner, Delta, British Columbia, Canada, and chair of the Peace Major Gifts Initiative*

I spent three days in Ontario, California, USA, in January with a group of passionate peacebuilders learning to be Rotary Positive Peace Activators.

The goal of the three-day training was to develop a worldwide network of peacebuilders to support Rotarians and Rotaractors in fostering Positive Peace in their communities. By 2024, Rotary will train 150 new Positive Peace Activators in six global regions, prepared to educate, coach, and accompany Rotarians in at least 1,000 presentations and/or workshops, and act as consultants on projects locally and globally.

The training is the next step in a growing list of Rotary peace initiatives that I believe are pushing Rotary to a tipping point. Our peace programs will begin rapidly expanding and will change Rotary forever as we go from being advocates for peace to something grander: active and effective peacebuilders.

In 2017, Rotary and the Institute for Economics and Peace (IEP) formed a strategic partnership. This alliance builds on IEP's research into Positive Peace – the attitudes, institutions, and structures that shape peaceful societies – as well as Rotary's grassroots work in communities globally.

In addition to our partnership with IEP, Rotary's Peace Centers are expanding, Rotary Peace Fellows are taking on diverse roles, there is an online peace academy, and clubs and districts are increasing their reach with a variety of peace projects. Major positive peace projects occurred in 2019 in Mexico and Colombia.

The 25 activators who participated in the training with me were Rotarians, peace fellows, Rotaractors, and Rotary Global Scholars. We were trained on the IEP positive peace model and on facilitating meetings. We focused on skills that will enable us to lead education programs with Rotary-affiliated groups.

Rotary seeks to create the conditions for Positive Peace by funding and implementing thousands of local and international peace projects. The Rotary Positive Peace Activators will take a lead as advisors to assist clubs and districts.

## ROTARY NEWS

The deadlines for the Zone 34 Public Image Citation and Video Competition have been extended to May 15, 2020 due to the current situation with COVID19.

The Rotary International Convention, scheduled for 6-10 June 2020, in Honolulu, Hawaii, USA, has been canceled in response to the ongoing threat of COVID-19, the illness caused by the novel coronavirus. The decision is necessary to protect the health of everyone involved. We are working diligently to inform registrants and process refunds. Learn more and read the latest information on how Rotary is responding to the COVID-19 outbreak and its impact on our operations, events, and members.

## MOTIVATIONAL QUOTE

### “Try to live it right”

By Webster Edwards

“ There are some tasks for which we have been given a multiplicity of opportunities to succeed. We can fail repeatedly, before redoubling our efforts to achieve success.

Many great persons of our times have had such experiences. One friend told me that he had failed his final professional exams three times before eventually succeeding.

But there are other things for which we have been afforded a single chance to achieve success. Once we fail, that opportunity disappears, and we spend the rest of our lives melancholy moping over an opportunity that has been permanently lost.

**The world is filled with persons who failed to grasp such opportunities when they were presented. Let not your experiences be conditioned by regrets.**

Instead, approach life with extreme caution. Think carefully before exercising choices. Remember, it's your only life, so please try to live it right.”

### ROTARIAN CODE OF CONDUCT

The following Code of Conduct has been adopted for use by Rotarians all over the World. This is based on “The Four-Way Test”.

#### **As a Rotarian, I will:**

2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills to mentor young people, help those with special needs and improve people's quality of life in the world.
4. Avoid behavior that reflects adversely on Rotary and other Rotarians.
