## Recap for last week:

**Guest Speaker –Haresh Ramchandani**

PAG Haresh addressed Rotarians on Membership Retention. He asked the members to ponder if he/she is 'getting what they want out of Rotary'. According to surveys conducted by RI - dependent on the number of years each member has in Rotary, there is a different aim – networking, service or fellowship. A survey of our members needs was taken by PAG Haresh, however, we have not learnt of the findings as yet.

## Photo Recap of last week's meeting:

**Rotarians Ben and Alisha are the winners of the weekly raffle.**
