## *Historical Recollections ~ Read by Past President George (Abridged)*

The Rotary Club of Montego Bay celebrates its 50th Anniversary this year having been chartered on the 21 March 1961.

The Club's Charter was officially presented to President Murph Dullum at an official banquet held at Casa Blanca Hotel. It was presented by Dr. Carlos Gonzales of Mexico City, who was sent to represent Rotary International.

There were twelve Rotarians from Kingston and two from Miami present along with the 21 Charter Members. The Mayor of Montego Bay was given twenty one guineas from the twenty one members for the benefit of the Railway Lane Boys Club. Kingston Club presented the club with a gong and a speaker's lectern. The North Winnipeg Club presented the club with a gavel.

After this auspicious beginning the club settled down to regular weekly meetings at the Casa Blanca Hotel. Members were drawn from a ten miles radius of Montego Bay, which was the territorial limit laid down in the Constitution.

By the end of the first year, the club had thirty one members. President Murph represented the club at the Rotary International Convention in 1962, which held in Los Angeles. He made valuable links and contact with Rotarians internationally.

Since that first year the Club has held meeting in several venues around the city including Montego Bay Racquet Club, Bay Roc Hotel, Richmond Hill Inn, Miranda Inn and Royal Caribbean, which later became Sandals.

Membership of the group grew steadily reaching 60 in the late nineteen sixties and early nineteen seventies, and became more diverse when women were eventually admitted to the club.

Over the past fifty years the Club has completed a diverse range of projects too numerous to mention but suffice it to say that the club has made an impact in most all areas of life in our community including; education, sports, medical, social and community care.

Some projects such as the Annual Careers Fair have been ongoing for thirty five years and the Scholarship fund, for twenty five. The Club sponsored its first Club, Montego Bay East which received its Charter at the Holiday Inn on the 22 June 1992. The Club has since sponsored several other Clubs; Lucea, Sav La Mar, Montego Bay Sunrise and Montego Bay Rose Hall.

The Club has had one District Governor Pishu Chandiram, who reputedly had one of the most financially successful district conferences which was held at the Wyndham hotel in April 1994 and chaired by one of the Past President of the club, George Palmer.

As well as making an impact on the community in its fifty year history, The Rotary club of Montego Bay has boosted tremendous fellowship functions. The records show that Pishu and Janki Chandiram home was labelled the unofficial home of Rotary gatherings in Western Jamaica. Likewise, the late PP Gwyn Jones and his wife current member Rtn. Phyllis hosted many functions at their home in Ironshore.

The Rotary Club of Montego Bay continues to provide members with the opportunity to give back to the community by providing service above self.

The Club is proud to have past presidents and Rotarians Who have contributed to building and steering the club over the past fifty years. They continue to support, guide and motive the club to achieving more and better for our community.

Past presidents of the Club who are still members are: Past District Governor Pishu, PP Desi, PP George, PP Denton, PP Jimmy, PP Conrad, PP Duncan, PP Bhagwan, PP Robin, PP Erica, PP Alfred, PP Larkie, PP Ann, PP Kay, PP Michelle, and Immediate Past Pres. Mexine.

Sadly this year we lost two of our dear members Past President Ripton & PP Jimmy Brassington, who are sadly missed.

We look forward to another 50 years of service in our community as Rotarians.

Rotary Club of Montego Bay 50<sup>th</sup> Anniversary Meal ~ Speech – delivered by District Governor Guy Theodore.  
26 October 2011 – Sandals Cay, Montego Bay Jamaica

1. President Dr. Vernella Fuller
2. Hon. Custos of St. James Patrick Corrods, CD
3. Past District Governor Pishu Chandiram
4. Past District Governor Master of Ceremonies Richard Grant
5. Past District Governor Errol Alberga
6. Assistant Governors
7. Presidents
8. Past Presidents
9. Fellow Rotarians, Rotaractors, Interactors and Guests

It is indeed an honor and a real pleasure to talk at the ceremony of the 50th Anniversary of The Rotary Club of Montego Bay.

1961 to 2011 – 50 years of existence, half a century since the Montego Bay Club has been teaching, practicing the motto of Rotary: “Service above self.”

Looking back at the extensive list of the realisation of community and international works that the Montego Bay Club has been involved in, we can say without an doubt that the Mo Bay Club has passed the test of time and has proven itself to be an example of a well structured, well organised and a model for others club, not only in Jamaica but in the District or even in the whole Caribbean.

Most of us want our life to be measured by what we have done.

If this be the case, the Rotary Club of Montego Bay has to be proud of its long existence, exhaustive accomplishments and can be considered as example. This example is certainly difficult to follow because of the outstanding realisation in the domain of:

- Educations and Literacy
- Water and Sanitation
- Family of Rotary
- Economical help and development for the less fortunate
- New Generation by sponsoring:
  - 5 Early Act Clubs
  - Supporting Interact
  - & Sponsoring Rotaract

All the above cited areas of work are also part of the programme of the President of Rotary Kalyan Banerjee who recognizes or strongly suggests that promotion of New Generation is vital to the development and continuation of Rotary.

In fact the theme or motto of President Banerjee is, “Reach within to embrace humanity.”

And this is exactly what the Rotary Club of Montego Bay is putting into action via the numerous projects for the good of the communities in Jamaica and elsewhere.

The Montego Bay Club has existed for 50 years or half a Century and the Club has set the tone for the New Generation to continue the work of Rotary.

I would like to finish this speech with a story from the Talmud.

Choni Hama’s angel saw an old man planting a carob and asked when he thought the tree would bear fruit.

The Man replied, “After 70 years.”

“What!” said Choni?

“Do you expect to live 70 years and eat the fruit of your labour?”

The old man replied: “I did not find the world desolate when I entered it.

My father planted for me before I was born so I plant for those who will come after me.”

Rotary Club of Montego Bay, your actions will follow you.

Thank you for setting a good example for the young Rotarians to follow.

You have planted. The youth have benefited from it and are now following your example.

District Governor 7020 – Dr. Guy Theodore

### **Avenues of Service**

**Club Service** focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs.

**Vocational Service** involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

**Community Service** Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

**International Service** encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

**New Generations Service** recognises the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract, Interact and Earlyact club service projects, and creating international understanding with Rotary Youth Exchange.
