### **Avenues of Service**

**Club Service** focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs.

**Vocational Service** involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

**Community Service** Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

**International Service** encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

**New Generations Service** recognises the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract, Interact and Earlyact club service projects, and creating international understanding with Rotary Youth Exchange.
