Editorial

July has come and gone, and what have we achieved for our Club; The Rotary Club of Montego Bay, our community and Rotary?

The Club can be said to have, hit the ground running at the start of the Rotary year. This was mainly because we had prepared for the start of the Rotary year by having four Shadow Board Meetings between January and June. These meetings were well attended by members of the Shadow Board, and gave us the opportunity to focus on our aims and objectives for the year, and to plan.

The Club was therefore ready for the New Year, and accomplished its targets and goals for July.
