## Stringham Park Memorial Plaza

Benefits the continuing development of Stringham Park

Rotary completed the walking trail around Keith's Pond at Stringham Park, a project that was several years in planning.

Next was the installation and dedication of the lighted flagpole in memory of those who perished on 9/11.

We installed the gazebo by the pond, and then provided landscaping around the area.

Memorial Flagpole at Stringham Park

Stringham Park now offers an array of activities.

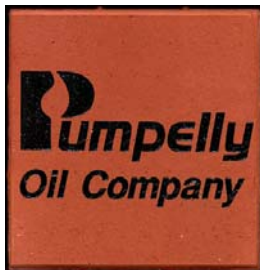

In addition to the soccer fields, picnic pavilion with bathrooms and trail around the pond. There is a much larger trail around the rear of the property. Picnic tables, the gazebo and benches have been added for quiet reflection.

Then the Rotary Clubs of LaGrange created a 400 Square Foot Memorial Plaza around the base of the flag pole by the park's entrance.

This is your chance to participate!
