

Burton Rotary Website Sponsor Sheet

Becoming a website sponsor is a great, low cost way to advertise your business and help out the Burton Rotary Club too!

When you become a sponsor, your business name and logo appear not only on the home landing page but on every page accessed on our website. Plus it is included in each bulletin sent to our members and online friends. When your logo is clicked on, the viewer is taken directly to your website to learn more about your company and what you have to offer.

Our website averages just fewer than 100 visits per month. Almost half of those visitors are new to the site and the average viewer visits at least 2 pages per visit. There are approximately 50 recipients of the bulletin each time it is sent out. As you can see, an advertisement on our site can gain your company exposure to many people.

For just \$50 per year, being a Burton Rotary Website Sponsor is an inexpensive way to use your marketing dollars to get your business name in front of fellow Rotarians and their friends and family.

Sponsors are asked to provide a company logo in electronic form and a website address to link to it. Submit your information to mkalakay@gmail.com. Please make checks payable to The Burton Rotary Club and mail to PO Box 90011, Burton MI 48509.

Any questions, please contact Marsha Kalakay.
