Dear Supporter/Advocate of Area Children:

Greater Flint Sunrise Rotary, with your participation and support, celebrates over twenty-five years of service to the local community. As a member of the Greater Flint Sunrise Rotary Club, I am personally asking for your support of our 26th Annual Golf Scramble benefitting local programs for children and families in the Genesee County area. Programs funded by the Sunrise Rotary are educational, recreational and encourage new experiences. This year's annual fundraising golf event will be held at Sugarbush Golf Course in Davison, Michigan on Friday, July 13, 2018.

Greater Flint Sunrise Rotary is a volunteer-based service organization. One hundred percent of all the proceeds from this fundraiser will go directly to non-profit organizations that focus on development of Genesee County youth and Rotary Student Scholarships. Please consider this opportunity to support our area kids who need encouragement to grow, a helping hand for guidance and shouldn't have to worry about having enough to eat.

Accompanying this letter is a story about local kids, Keith, Kaya and Kevin, that highlights the good work of Motherly Intercession, one of the programs our Club and this event has helped support in the past. Motherly Intercession's work is ground-breaking in their efforts to provide support and services to children whose parents are in jail. Please take a moment to gain a better understanding of how important this fundraising golf event is to area children.

There are many ways that you can help us. I am attaching a brochure that explains the golf outing and three avenues for support. We would love to have you personally share in the fun of the golf outing scramble as a corporate sponsor at \$675 which includes golf for a team of four, door prizes, continental breakfast, lunch at the turn and a heavy hors d'oeuvre post-event reception and award ceremony.

Tee and Green Sponsorships are available at \$150. T&G Sponsors receive prominent display of your company's name on the course and include an acknowledgement on our golf program. We also appreciate donations of in-kind goods or services that we may offer as door prizes or use in a silent auction to enhance our fundraising efforts.

Thank you so much for your consideration. I hope that you will find a way to join me in this important endeavor. I will follow up with a phone call next week to answer any questions you may have.

Sincerely,

Greater Flint Sunrise Rotary
