WHAT IS ROTARY?

Rotary is a group of local professionals who form part of Rotary International, a community service organization founded in Chicago in 1905. Members of a Rotary club are called Rotarians. The purpose of a local Rotary club is to connect people who then work together to solve community problems, provide humanitarian aid, and promote goodwill and peace. Rotary clubs exist all around the world, and Rotary International has over 1.2 million members. Their motto is "Service Above Self."
