Present their 38th Annual Charity Golf Tournament

Dear Sponsor,

The Rotary Club of East Nassau & The Scout Association of The Bahamas are proud to announce that their 38th Annual Charity Golf Tournament will be held on Monday the 12th of May 2025. This event has been one of the club’s primary fundraising activities for the past 38 plus years, collectively raising over \$3.85 Million for numerous charities throughout The Bahamas!

We are proud to note that 100% of the net proceeds raised will be donated to Rotary Club of East Nassau’s sponsored community service organizations & The Scout Association of The Bahamas.

The Rotary Club of East Nassau follows the tenants and ideals of Rotary International and provides service throughout the Bahamas in the **seven areas of focus**. Those areas are, Peacebuilding & Conflict Prevention; Disease Prevention & Treatment; Water, Sanitation & Hygiene; Maternal & Child Health; Basic Education & Literacy; Community Economic Development; and The Environment.

Please note that the operation of the Club is 100% member funded. Recent program recipients have included The Heart Foundation, Bahamas Youth Sailing, Ranfurly Homes for Children, The Cancer Society and many, many more.

- **Fox Hill Run Feeding Program (celebrating 50 years this year, 2025)** – Provides consistent enrichment to needy families in the Fox Hill area. Rotarians visit the families monthly taking grocery items and providing fellowship.
- **Project Read (Basic Education & Literacy)** - A free confidential service where adult students learn to read and write. Project Read has already increased the literacy levels of over two thousand Bahamians in the past ten years. RCEN started Project Read over 30 years ago and continues to be a major sponsor of the program.
- **BAPD (Maternal & Child Health)** – Bahamas Association for the Physically Disabled. RCEN has also provided hundreds of wheelchairs to physically challenged Bahamians through our partnership with The Wheelchair Foundation, BAPD and other Rotary Clubs abroad.
- **Bahamas National Trust (The Environment)** - Mandated with the conservation of natural and historic resources of The Bahamas. The Trust is the only known non- governmental organization in the world with the mandate to manage a country's entire national park system.

By supporting our charity golf tournament, you can take pride in the fact that you are participating in one of The Bahamas’ most successful charitable sports-related activities. We have included the logos of the Gold sponsors from last year’s tournament and say “Thank You!” for your support.
