

**RCEN still requires attendance to stay in good standing! That means an attendance average of 50% in any 6mth period and at least 30% at our club. We have reverted to these long standing rules as of July 1, 2023.**

That said, make-ups are so plentiful, this should be an easy requirement to meet! Members have 30 days to submit a make-up. The best way to make up for a missed meeting is to attend one of the many club social and service events, or club committee meetings. Makeups 30 days before or after a missed meeting can be applied.

Please go to [rcen.org](http://rcen.org) for a list of Club Directors, contact Secretary Valentino Bethell [HERE](#) for more information.
