East Nassau Rotary Club FOUNDATION

The Foundation was established in April, 1995 to help achieve nationwide understanding and peace through humanitarian, educational and cultural exchange programmes.

Based on the principle that charity begins at home, the Foundation complements the work of the Rotary International Foundation, one of the world's largest philanthropic organisations. The trustees are Sir Durward Knowles, Barry Rassin, MacGregor Robertson, Sidney Sweeting and Trevor Sunderland - all distinguished past presidents of the Rotary Club of East Nassau.

Created to enhance the charitable works of the Rotary Club of East Nassau, the Foundation provides an opportunity for businesses and individuals to leave a lasting legacy for social improvement.

You Can Help!

There are so many needs in our country today, as evidenced by the endless appeals we all receive.

By supporting the Foundation you can be confident that funds will be applied only to legitimate projects screened by the trustees.

By supporting the Foundation you can specify the charity you wish to favour.

By supporting the Foundation you know that every dollar given goes directly to charity and not to administrative overhead.

By supporting the Foundation you can give generously and remain anonymous if that is your wish.

By supporting the Foundation you can meet with the trustees to discuss and plan your own charitable programme.

By supporting the Foundation you can avoid the endless hardship letters that follow personal donations.

A New Level of Service

You can help move the Rotary Club of East Nassau's community service fundraising efforts to a higher level by supporting the Foundation through...

Outright donations

Regular pledges

Memorial contributions

Bequests

Insurance beneficiaries

Charitable trusts

You can become a benefactor by donating any amount of cash, investment securities, paintings, objects d'art, furnishings, real estate or other assets, subject to the agreement of the trustees.

Donations will be applied towards community initiatives that provide long-term benefits —such as scholarships, libraries, environmental projects, disaster relief and other programmes.

The Rotary Club of East Nassau was founded in May 1963 to provide humanitarian service, encourage high ethical standards in all vocations, and build peace and goodwill. Over the past 40 years, through the generosity of many donors, it has established an outstanding record of community service. Key projects have included:

Cheshire Home for the Physically Disabled

Hopedale Centre building

Drug Actions Service headquarters

Bahamas Association for the Mentally Retarded workshop

Hardecker Clinic extension

Salvation Army building

Scholarships

Bahamas Air Sea Rescue boat

Bahamas Humane Society ambulance

Project Read functional literacy programme

Persis Rodgers Home for the Aged renovation

Children's Emergency Hostel renovation

Sponsorship of educational television shows

Support for the Bahamas Amateur Athletics team and many more...
