I am delighted to congratulate the Rotary Club of Road Town on your 30 years of service to the Virgin Islands community. Rotary has been a beacon of hope for millions around the globe and has impressively led notable causes such as the eradication of polio initiative and regional and global disaster response.

I am aware that the Virgin Islands' community has benefitted greatly from your club's service over the past 30 years. Your collective unwavering commitment has helped the people of the Virgin Islands to recover and rebuild most notably following hurricanes Irma and Maria in 2017 in the face of many challenges.

Your recent contributions of books to the rehabilitation programme at Her Majesty's Prison; similarly, a chair to the dialysis unit at the Dr. D Orlando Smith Hospital and a donation of several laptops to the Anegada community are testament to the tenacity and fortitude of your club despite the ongoing pandemic and protracted recovery efforts.

I congratulate and commend the Rotary Club of Road Town and the Rotary family of the BVI for your continued support and contributions to the people of the Virgin Islands.

Happy 30th Anniversary.

John J. Rankin CMG
His Excellency the Governor of the Virgin Islands

**Congratulatory Message
Rotary Club of Road Town**

It is my honour and distinct pleasure to congratulate you, the Rotarians of the Rotary Club of Road Town, on the occasion of your 30th Anniversary milestone.

In the pages of your history in these Virgin Islands, it is noteworthy that shortly after your club was founded you became the first to induct women into your organisation. Thus, embracing them as Rotarians and true equals. This was quite a feat, especially at a time when Service Clubs were mainly male-dominated. More importantly, women were able to break the glass ceiling and rise through the ranks as they encouraged other women, including their own daughters, to become members as they branched out into other areas of Rotary.

Over the years, I have observed the many initiatives and contributions you have made in developing the Virgin Islands. I am pleased to have read about all the work you have done internationally. Thus, your motto "Service above self" has been realized in the projects you have undertaken over the years.

With pride, I have also observed the many achievements of your club since its inception in January 1991. During your Rotary year 2012-2013, Mr. Vance Lewis became the first Virgin Islander to serve as Rotary District Governor, during which time the club achieved its first District Governor Gold Award. The many additional awards and accolades earned over the years are too numerous to mention but they speak to your legacy and commitment as a Service Club.

The Rotary Club of Road Town has also become synonymous with the Kiddie's Fiesta, a fun time of events for children as part of the annual Emancipation Celebration.

I applaud your successes, hard work, tenacity, and continuous commitment to excellence. Again, congratulations as you celebrate this significant milestone. With BVILOVE, continue to give service above self.

Andrew A. Fahie
Premier and Minister of Finance.

Who We Are

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Learn more about our structure and our foundation and our strategic vision. Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

What we do

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies

Our mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision Statement

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

TOGETHER, WE

SAVE LIVES

Thriving communities start with healthy people. That's why Rotary clubs organize health screenings, host blood drives, and connect neighbors to medical resources. Working together to save lives — that's what people of action do. **Learn more at rotary.org/action.**

PEOPLE OF ACTION

A Message From *The District Governor*

My wife, Rochelle, and I are excited to commend you on this your 30th Anniversary. The attainment is no small feat and we celebrate with you on this significant milestone. This Club has positively impacted communities both locally and abroad with its service projects and financial giving. The fact that you have made it thus far is confirmation that you are dedicated to community development and you are seeking to uplift the spirits and situation of the downtrodden.

Let me recognize the leaders over the many years who sought to implement the strategic ideas, borne from the hearts of its members. The effective executions required the involvement of your members and I am satisfied that over the years you have extended participation to the family of Rotary and other members of the community.

And to the succession of leadership that follows; your responsibility will be to improve upon the accomplishments of the past 30 years and to enhance its impact through innovation, diversity, and partnership. Regard and respect the rich history of the club and forage forth to create other memorable and notable enhancements.

As your District Governor, I will collaborate and support you to ensure that you meaningfully institute necessary changes to help in your pursuits. Once again, we extend congratulations to you on this special moment.

Yours in Rotary Service

Charles Sealy II

A Message From The Assistant District Governor

Dear President Gwen and all members of the Rotary Club of Road Town,

It gives me great pleasure and honour to congratulate the Rotary Club of Road Town on your 30th Anniversary. What started out as a cry for inclusion put forth by 25 business leaders in the BVI, has grown into one of the strongest clubs in the District and in the Rotary world.

Over the past 30 years, a lot has changed in the world and this Territory. Very little has happened without the involvement of men AND women of the Rotary Club of Road Town who put service above themselves. We have changed lives, taken success to significance and opened opportunities for persons in our community. I congratulate you for setting the trend in so many ways, including the most important feat – the first Rotary club in the BVI to accept women as members. You have shown your dedication toward supporting the Rotary Foundation, a passion for developing our youth through the starting of EarlyAct, Interact and Rotaract Clubs, and caring for the health in our community with the annual health expos.

I am immensely proud of all you have achieved and excited for what tomorrow holds. You have a solid foundation and a vibrant future; and if the past 30 years is an indication of the next 30 years, the BVI will continue grow and strive for success through the hard work of the members of the Rotary Club of Road Town.

May God continue to bless the Rotary Club of Road Town!

Sincerely,
Ryan Geluk

The Rotary Club of Road Town:

The First 30 Years

In 1990 a group of enthusiastic open-minded gentlemen held their first meeting at the Sir Olva Georges Plaza with a view to chartering a second rotary club in the British Virgin Islands. While they could easily have followed the path already established by the Rotary Club of Tortola (RCT), they had a vision of a new club which would not only focus on the Rotary ideal of "Service above Self" but much to their credit, they envisioned a club which would also embrace the tenets of "diversity and inclusion" – a phrase which would not become popular until decades after the club now known as the Rotary Club of Road Town was chartered.

For over six months the men met as a Provisional Rotary Club under the watchful guidance of a steering committee made up of the District Governor's Special Representative – Rotarian (Rtn) Keith Matthew, the then President Elect of the RCT - Keith Chippendale, Rtn David Raworth, Past President (P.P.) Albie Stewart, Rtn. Lloyd Black, P.P. Charles Wheatley, P.P. Audley Maduro and P.P. Arnando Scatliffe. Additional support was provided by P.P. Mike Riegels, Rtn. Bill Bullimore, and Rtn. Liston Molyneaux all of the Rotary Club of Tortola.

Then on 7 January 1991, Sanseric Powell of St Croix, US Virgin Islands, who served as District Governor of District 7020 on that date, formally chartered the "Rotary Club of Tortola II".

Ronnie W Skelton would serve as the first President of the club, which was comprised of the following charter members:

Ronnie Skelton
Colin O'Neal
Dean Greenaway
Elroy Turnbull
Lowell Fahie
Glenn Harrigan
Rodney Herbert
Richard Parsons

The members were keen to have a fully integrated club and took steps to welcome women as members at the first opportunity in 1992. Margaret Penn and Francis David, who still serve as members today, together with Maltina Anthony-Waldron, would become the first females admitted

to any Rotary Club in the British Virgin Islands, when they were inducted as proud members of Rotary Club of Tortola II by then President Colin O'Neal.

After two (2) years of a distinguished and ground-breaking existence, the club requested and obtained permission from Rotary International to change its name and thus became the Rotary Club of Road Town in 1993.

The club's mission to fully embrace female members would result in Jeffrey Potter-Canton becoming the first female president of a BVI Rotary Club in 1997/98.

OTHER PAST PRESIDENTS OF THE CLUB INCLUDE:

1993/94 Paul Webster

1994/95 John Lewis

1995/96 Meade Malone

1996/97 Vance Lewis

1998/99 Richard Parsons

1999/00 Tim Peck

2017/18 Geraldeen Johnson

2018/19 Vincent Wheatley

2019/20 Lavina Liburd

Gwenyth Vanterpool serves as the current President, while Anthony Clarke will lead the club for the 2021/2022 Rotary year, and Gavin Dooley is slated to take charge for 2022/2023.

One of the club's earliest and most well-known and enduring signature projects is the annual Kiddies Fiesta, which was first realised under the leadership of PP John Lewis. This project would be one of many through which the club exemplified its focus on the youth and the family. Other family focused projects which were carried out for numerous years include the Easter Kite Flying Competition, the decoration of the Road Town Round-About at Christmas and the Rotary Health Exposition.

The club has firmly embraced the aim of growing and strengthening the Rotary family and ingraining the principles of service in younger generations. It sponsored the Interact Club of Road Town which was chartered in July 2002 with 24 charter members. Its first president was Diehdra Potter, who is now an active member of the Rotary Club of Road Town having twice served on its board. In May 2015 it would go on to sponsor its second Interact Club when Cedar International School became the first school in the BVI to have a school based Interact Club.

The club has also sought to bring children ages 5 – 12 years into the Rotary family with the introduction of the EarlyAct program, first at the Enis Adams Primary School and subsequently at the Ebenezer Thomas Primary School. It also served as sponsor in 2009 of the Rotary Club Sunrise of Road Town (RCS), and in 2014 co-sponsored the Rotaract Club of Virgin Gorda alongside RCS and RCT.

The members of the club have always been willing to roll up their sleeves and many of the club's projects have been "hands on" beginning with the adoption of the Mount Healthy National Park which routinely sees members painting, planting and weeding, extending to the construction of a home for Alfred Cline in 1999 and continuing in more recent times in the form of Project One BVI, being a day of Rotarians and friends doing charitable works in the BVI. This was first promoted by PP Ryan Geluk and was resuscitated post-Hurricanes Irma and Maria by PP Lavina Liburd.

The health and well-being of the BVI's residents has also been a constant area of focus. Not only did the club initiate an annual Health Expo to allow persons in the community to obtain free medical assistance and attention in relation to eye care, blood pressure, blood typing and glucose levels but it has also made various contributions during its Thirty (30) year existence to several wards of the Dr D Orlando Smith Hospital. Most notable is the club's donation, with the assistance of global grants from the Rotary Foundation, of two (2) dialysis machines to provide lifesaving support to persons with kidney disease. This much needed donation was organised during the presidencies of PP Roy Barry, PP Stephanie Benn, PP Charles Benjamin and PP Yvonne Crabbe. The club proudly continues to provide support to the Dialysis Unit and we have witnessed the benefits derived by the wider BVI population as well as by our own fellow Rotarians.

Having received global grants from the Rotary Foundation, the club has also sought to enrich the lives of persons outside of the BVI and has been involved in a number of international projects including sponsoring the construction of several houses in Haiti for impoverished families as part of a collaborative effort with Rotary Club of Cumana in Venezuela. It has also hosting various telethons with other members of the Rotary BVI family to assist those in Indonesia hard hit by the Tsunami in 2004, to assist Haiti after the major earthquake of 2010 as well as those persons in the Bahamas devastated by Hurricane Dorian in 2019. The Club was also involved in rebuilding homes and replacing roofs right here in the BVI after Hurricanes Irma and Maria, with the assistance of several local contractors. Members such as Past Assistant Governor (PAG) Elvis Harrigan, and Rotarians Joe Ryan and Ronan Kuczaj also played key roles in coordinating relief efforts in the forms of both supplies and shelter including coordinating with ShelterBox, a Rotary International partner organisation, and Team Rubicon, and facilitating their work within the BVI.

With 46 members and counting, the Rotary Club of Road Town boasts members of numerous nationalities, an over 40-year age range, and remains committed to diversity and inclusion. Today women make up 50% of our membership and the club continues to grow from strength to strength with its eyes ever seeking opportunities to help the youth and families of the beautiful BVI.

*The President of the
Rotary Club of Road Town*

30th Anniversary Remarks

Club Mission 2021: We are an audacious club committed to the improvement of our members and our communities.

Club Vision 2021: To foster friendship, leadership and fellowship, while leveraging unique opportunities to provide superior service to the ever-changing needs of our communities.

Our club was chartered on 9 January 1991, its birth was the result of vision, hard work and commitment by our charter members who we will honour here tonight. Our club was sponsored by the Rotary Club of Tortola which was the only Rotary club in the BVI at the time, it was felt that there was a need for another Rotary club in Tortola to facilitate the requirements of the younger professionals. The original name of our club was The Rotary Club of Tortola II, however the name was changed to The Rotary Club of Road Town, the change was deemed necessary due to the similarity in names.

Speaking of change, one major change for Rotary in the BVI was the induction of women, our club was the first in the BVI to induct women as members. We were also the first club in the BVI to elect a female president.

Over the years our club has given birth to our daughter club, Rotary Club Sunrise of Road Town, as well as our recent offspring Rotary Club of Central Tortola. Additionally, our club has also been instrumental in the birthing of the Rotaract Club of Virgin Gorda, as well as the Interact Clubs of Road Town and Cedar School as well as Early Act clubs at Enis Adams Primary School and Ebenezer Thomas Primary School.

Our club has been around for 30 years now, and, by any measure, 30 years of service to the community is no small feat. Over the years we have sponsored numerous projects, including erection of our Centennial Park in Road Town which was built to celebrate the Rotary centennial, support for the hospital's dialysis unit, sponsorship of the annual Kiddie Fiesta, assisting with mangrove replanting, adoption of Enis Adams Primary School, the annual lighting of the Road Town Roundabout, and several hurricane relief projects.

This Rotary year due to the impact of Covid 19 we were provided with new opportunities to serve the community by sponsoring new projects, including, providing laptops to primary school students who were required to attend school online. We also provided ongoing support to the Family Support Network, whose list of disadvantaged residents has almost tripled, also we worked together with the BVI Rotary family, assisting with the government's Covid-19 food distribution program.

Our club has also assisted with regional projects, for example, we have contributed to the Haiti earthquake relief, and more recently to the Bahamas hurricane relief.

At age 30 our club is now in its prime and we have a plethora of work to accomplish, for example, we are exploring the possibility of sponsoring a satellite Rotary club in Virgin Gorda to provide support to the Virgin Gorda community, and we are working on a meal plan for primary school students, impacted by home schooling, with a mission of fighting childhood obesity.

With the assistance and support of you our community partners we are confident that we shall succeed, and we will continue to provide service to our community for another 30 plus years.

Gwenyth Vanterpool
President
Rotary Club of Road Town 2020 - 2021

Historical Club Projects

Annual Kite Flying Competition

We phased this project out as the Guyanese Association Kite Flying event grew in scale and popularity

Annual Health Expo

The advent of National Health Insurance (NHI) led to increased availability of health care to all in the BVI and decreased the need for a large Annual Health Exposition.

Rotary Youth Leadership Awards (RYLA)

Diabetic Footcare Education Campaign

Annual Spelling Bee

In cooperation with the Ministry of Education, our Club has traditionally provided officials and prizes for this academic competition. Hurricanes Irma and Maria, and then the advent of the COVID-19 Pandemic put this event on hold but we look forward to supporting this again in the near future

Annual Dictionary Distribution

The yearly purchase of Dictionaries for all class three students was initiated by the Rotary Club of Road Town and quickly became a joint project for all local Rotary Clubs. This project was phased out as schools moved towards e-learning and the District Matching Grant for Literacy was discontinued.

Message From The Charter President, Rotary Club of Road Town

Happy 30th Anniversary to The Rotary Club of Road Town Some thirty years ago a group of approximately 35 persons, all of which were energetic and young at heart, got together to form a new Rotary Club of which I was selected to be its First President. The club was sponsored by the only Rotary Club existing in the British Virgin Islands at that time, the Rotary Club of Tortola, This Club, our Mother Club still exists today and is stronger than ever.

Our Rotary Club was chartered on 7th January, 1991 and was known as the Rotary Club of Tortola II and its name was changed to the Rotary Club of Road Town shortly thereafter to give the club its own identity and to show that the club had matured significantly.

I would like to take this opportunity on our 30th Anniversary to thank all the members for their invaluable contribution to the Rotary Club of Road Town. We have done a fantastic job to chart the course of the Club over the last 30 years, and for this and as a Rotarian, I say, thank you. Let me also take this opportunity to salute those members who can no longer be with us and those who have passed on.

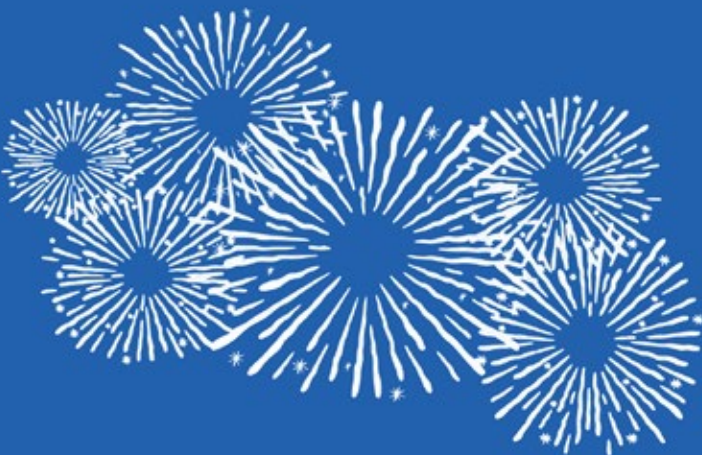

Together we have done some good works serving our communities and contributing to the worldwide Rotary organization. Your hard work and dedication have been a great testament to Rotary's goals and mission, and may it always be our resolve to continue these stalwart efforts.

Let me also take this opportunity to thank all those who have been President and Officers of the Club over the years, and have guided our Club from strength to strength, I say a heartfelt thanks to all of you.

Let us continue to serve our community.

*Congratulations
Rotary Club of Road Town on your
30th Anniversary!*

My introduction to the family of Rotary was through my father, Joseph Potter, who was a member of the Rotary Club of St. Thomas I, however, my true understanding of Service above Self was with the Rotary Club of Road Town. Rotary opened up a new global world for me.

I joined the club in 1994. At the time our club was the only club which accepted the membership of women. Frances David, Maltina Anthony and Margaret Penn were the first women to be accepted as members in a Rotary club in the British Virgin Islands. As a member I got to understand the commitment to serving and the satisfaction from doing so.

It was a great honour to be voted in as President of our club and the first woman president of a Rotary club in the British Virgin Islands. I took the position seriously and I felt a responsibility to try and set an example for women in the future. I feel a sense of pride looking at the women who have followed as president of this club. Janice Rhymer, Stephanie Benn, Yvonne Crabbe, Nelcia St. Jean, Geraldeen Johnson, Lavina Liburd and Gwyneth Vanterpool have all served this Club well.

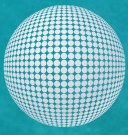

I served with a very committed board and with the support of the club we continued our programs both locally and regionally. I had great support from our past presidents and especially Vance Lewis who became the first District Governor from the British Virgin Islands. They all encouraged me to further my knowledge of Rotary and to attend the conferences and many educational workshops held in our District 7020.

One of my favorite projects is the Kiddies Fiesta during Festival. One of the Club's mandates is the development of our youth. The Kiddies Fiesta was created to give our young people the opportunity to participate in the Emancipation Celebration in a safe and creative environment. All the schools were involved and hundreds of children dressed in costumes and paraded to the area where the club organized games, competitions, entertainment and good food! Our Right-Start program helped our high school seniors navigate the processes of preparing for higher education and the work force.

The camaraderie I enjoyed and lasting friendships made not only in the BVI but also in the clubs in our District is what I cherish most. Oprah's friend Gayle King said in her book Note to Self "The best way to live is to give, to worry less and when we do what we love, we can do more than we ever imagined".

I still keep up with our Club's activities and when in the BVI (I now live in Florida) I come to see you as often as I can. I'm sorry I cannot be there with you this evening, (quarantining in Anegada) but hope to see you all very soon. Again, congratulations. Yours in Rotary

History of Women in Rotary

Women are active participants in Rotary, serving their communities in increasing numbers and serving in leadership positions in Rotary. The 1989 Council on Legislation vote to admit women into Rotary clubs worldwide remains a watershed moment in the history of Rotary.

“My fellow delegates, I would like to remind you that the world of 1989 is very different to the world of 1905. I sincerely believe that Rotary has to adapt itself to a changing world,” said Frank J. Devlyn, who would go on to become RI president in 2000-01.

Women in Rotary - EN from Rotary International on Vimeo.

The vote followed the decades-long efforts of men and women from all over the Rotary world to allow the admission of women into Rotary clubs, and several close votes at previous Council meetings.

The response to the decision was overwhelming: By June 1990, the number of female Rotarians had skyrocketed to over 20,000. The number of women members worldwide reached 195,000 in July 2010 (about 16% of Rotarians) and surpassed 277,000 in July 2020 (about 23%).

A top priority for Rotary is growing and diversifying our membership to make sure we reflect the communities we serve. We know that our capacity to increase our impact and expand our reach is larger when more people unite with us, which is why we value diversity, equity and inclusion. Rotary celebrates and welcomes the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

Our timeline highlights historic milestones and senior leadership firsts that have helped build greater diversity in Rotary. These leaders and all our female members are making positive change in communities around the world.

Timeline of women in Rotary

1. 1950 An enactment to delete the word “male” from the Standard Rotary Club Constitution is proposed by a Rotary club in India for the Council on Legislation meeting at the 1950 Rotary Convention.

2. 1964 The Council on Legislation agenda contains an enactment proposed by a Rotary club in Ceylon (now Sri Lanka) to permit the admission of women into Rotary clubs. Delegates vote that it be withdrawn. Two other proposals to allow women to be eligible for honorary membership are also withdrawn.

3. 1972 As more women begin reaching higher positions in their professions, more clubs begin lobbying for female members. A U.S. Rotary club proposes admitting

women into Rotary at the 1972 Council on Legislation.

4. 1977 Three separate proposals to admit women into membership are submitted to the Council on Legislation for consideration at the 1977 Rotary Convention. A Brazilian club makes a different proposal to admit women as honorary members. The Rotary Club of Duarte, California, USA, admits women as members in violation of the RI Constitution and Standard Rotary Club Constitution. Because of this violation, the club’s membership in Rotary International is terminated in March 1978. (The club was reinstated in September 1986.)

5. 1980 The RI Board of Directors and Rotary clubs in India, Sweden, Switzerland, and the United States propose an enactment to

remove from the RI and club constitutions and bylaws all references to members as "male persons."

6. 1983-86 In a lawsuit filed by the Duarte club, the California Superior Court in 1983 rules in favor of Rotary International, upholding gender-based qualification for membership in California Rotary clubs. In 1986, the California Court of Appeals reverses the lower court's decision, preventing the enforcement of the provision in California. The California Supreme Court refuses to hear the case, and it is appealed to the U.S. Supreme Court.

7. 1987 On 4 May, the U.S. Supreme Court rules that Rotary clubs may not exclude women from membership on the basis of gender. Rotary issues a policy statement

that any Rotary club in the United States can admit qualified women into membership. The Rotary Club of Marin Sunrise, California (formerly Larkspur Landing), is chartered on 28 May. It becomes the first club after the U.S. Supreme Court ruling to have women as charter members. Sylvia Whitlock, of the Rotary Club of Duarte, California, becomes the first female Rotary club president.

8. 1988 In November, the RI Board of Directors issues a policy statement recognizing the right of Rotary clubs in Canada to admit female members based on a Canadian law similar to that upheld by the U.S. Supreme Court.

9. 1989 At its first meeting after the 1987 U.S. Supreme Court decision, the Council

on Legislation votes to eliminate the requirement in the RI Constitution that membership in Rotary clubs be limited to men. Women are welcomed into Rotary clubs around the world.

10. 1990 As of June, there are about 20,200 female Rotarians worldwide. The Rotarian runs a feature on women in Rotary.

11. 1995 In July, eight women become district governors, the first elected to this role: Mimi Altman, Gilda Chirafisi, Janet W. Holland, Reba F. Lovrien, Virginia B. Nordby, Donna J. Rapp, Anne Robertson, and Olive P. Scott.

12. 2005 Carolyn E. Jones begins her term as the first woman appointed as trustee of The Rotary Foundation.

13. 2008 Catherine Noyer-Riveau begins her term as the first woman elected to the RI Board of Directors.

14. 2012 Elizabeth S. Demaray begins her term as RI treasurer, the first woman to serve in this position.

15. 2013 Anne L. Matthews begins her term as the first woman to serve as RI vice president.

16. 2019 Brenda Marie Cressey begins her term as the first woman to serve as vice-chair of The Rotary Foundation. In April-June 2019 she serves as chair of the Foundation, the first woman appointed to this role.

17. 2020 In October, Jennifer E. Jones becomes president-nominee, the first woman to be nominated to be Rotary International President. Her term as president will begin 1 July 2022.

Ongoing Projects

Annual Kiddies Fiesta

Every year the Club provides a day of fun for children and families as part of the annual Emancipation celebrations. Activities and entertainment include a parade, mascots, dance team performances, face-painting, bouncy castles, golf and local bands. Many families have repeatedly expressed how important the Kiddies Fiesta is to the community. Giveaways of backpacks and school supplies provided by sponsors is typical at this event.

Ongoing Projects

Annual College Classics Series

the Club still regularly participates in this with friendly competition between all teams in the "Service Clubs" category.

Ongoing Projects

Our youth Arms are not technically "projects"; they are an investment in the future of our community.

Centennial Park Pavilion

This lookout spot was constructed to commemorate the 100th Anniversary of the founding of Rotary International. It was recently renovated with new railings post hurricanes Irma and Maria, and the addition of a shade canopy. Additional work is needed to restore lighting, landscaping, and possibly add internal seating, new binoculars and a telescope. Many thanks to Quality Construction, Wet Rollerz, Doyle Sailmakers and Innovative Textiles for their work on and contributions to the renovation effort.

Ongoing Projects

Annual Round-a-Bout Lighting

Every year the Rotary Club of Road Town lights up the central roundabout in Road Town for the Christmas Season. This is the Club's contribution to creating a festive air in town for the Holidays.

Ongoing Projects

Support for the Dialysis Unit

Over the years the Rotary Club of Road Town has donated two dialysis machines as well as TV monitors and other equipment to the Dialysis Unit at Peebles Hospital. The machines were purchased with the help of Global Matching Grants, the second being a partnership with the Rotary Club of Oklahoma City, USA. This year we funded the purchase of a new Dialysis chair with a partial donation from a private organization in Ireland.

A Message From

The President of the Rotary Club of Tortola

On Behalf of the Rotary Club of Tortola, I would like to extend heartfelt congratulations to the Rotary Club of Road Town on this remarkable achievement of 30 years of serving the BVI Community.

Your achievements are well documented, your impact will be forever felt and lives you have changed will always be remembered.

Congratulations on your first 30 years and to the next 30 to come.

*A Message From
The President of
The Rotary Club of Central Tortola*

I am pleased to extend my warmest greetings to the Rotary Club of Road Town, my former Rotary club, on your 30th Anniversary. This special milestone gives you an opportunity to reflect upon your proud history and achievements, while honouring the ties of fellowship that have contributed to your success as part of one of the world's foremost voluntary community service organizations.

Over the years, your club has developed an impressive record when it comes to supporting communities close to home and abroad. The Rotary Club of Road Town has truly lived up to the Rotary motto of "Service Above Self". Through your many accomplishments, you have touched the lives of many in need, and for that you should feel very proud.

On behalf myself as president and the entire membership of the Rotary Club of Central Tortola, best wishes and happy anniversary.

Rotary's Two Official Mottos

“Service Above Self and *One Profits Most Who Serves Best*”

Rotary's official mottos, can be traced back to the early days of the organization.

In 1911, the second Rotary convention, in Portland, Oregon, USA, approved He Profits

Most Who Serves Best as the Rotary motto. The wording was adapted from a speech that Rotarian Arthur Frederick Sheldon delivered to the first convention, held in Chicago the previous year. Sheldon declared that “only the science of right conduct toward others pays. Business is the science of human services. He profits most who serves his fellows best.”

Congratulations!!
to the Rotary Club of Road Town.
We salute you and celebrate with you
on achieving your 30th Anniversary of
service to the BVI community and beyond.

A Message From The District Rotaract Representative

It is with great pleasure that I extend heartfelt congratulations to the Rotary Club of Road Town on their 30th anniversary of providing service to the Virgin Islands community. As you make this milestone, take a look back at all the positive impact you have made, with the many impactful projects such as Centennial park, countless Dictionary distributions to local schools, Health Expos, Housing Renovation Projects to vulnerable persons and of course the Annual Kiddies Fiesta; which has always been a favourite since I was a child.

Additionally to the many projects you have committed to in the past, the club has invested into the youth arms of Rotary, by becoming sponsors of the Interact club of Road Town, which was recently revitalized after a few years of inactivity, Interact club of Cedar International School and the co-sponsor of the Rotaract club of Virgin Gorda; of which is a club of rotaract district 7020 and my home club!

In short, on behalf of myself and Rotaract District 7020, we celebrate you, the Rotary club of Road Town on the celebration of your 30th birthday, and as one of our many partners in service. May you have 30 and more years of service to the Virgin Islands Community doing so with selflessness, energy and above all, Passion!

Yours in Rotary,

Assistant District Rotaract Representative
and President of the Rotaract
Club of Tortola*

Rotary Club of Road Town,

On behalf of the Rotaract Club of Tortola's Executive Board, Directors and Members, I would like to offer my heartfelt congratulations on achieving 30 years of Service above Self. You have rendered a service to your community which now values your existence and continued contributions. You can rest assured knowing your club gives meaning to the word Rotary.

This milestone shows your growth on many levels, the progress in membership and club, the connections with stakeholders, the impact made with each person you touch. You have made your mark in society, a mark that will continue in the history and culture of the British Virgin Islands' existence. Feel proud of your accomplishments and contributes over the years and be excited about the future and what the Rotary Club of Road Town will do.

As you continue to give selflessly, I wish you many more years of service to man, community and globally. May your existence and efforts continue to grow the BVI community and its people. Upwards and onwards in greatness!

Congratulations,

Selvyn Dawson

Newest Projects

Project 1BVI

Ten (10) projects are launched on the same day in collaboration with the other Rotary, Rotaract, Interact, and EarlyAct clubs of the BVI in a service blitz. This was carried out in 2015 and 2019 with the intent to make it an annual project going forward. Some projects are completed on the day of the event, while others are ongoing throughout the year or become multi-year projects. Additional volunteers come from schools, businesses, and other non-profit organizations. This project actively encourages Corporate Social Responsibility, and active service by students and community members.

Laptop and Headset Donation to Schools

One week before the reopening of schools in this year, our club received an urgent request from one of our prospective Rotarians who lives on the outer island of Anegada, for our club to provide assistance to 11 students of the Claudia Creque Primary School in Anegada, who did not have access to laptops and who were, at a disadvantage in relation to the online classroom. Our club immediately agreed to assist, and together with the representative for the district and our community partners, we were able to source and deliver the laptops to the students within one week.

With the return to virtual classrooms, teachers have recommended the use of headphones as they have been found to be beneficial in assisting with blocking out most external noises and distractions, allowing the students to remain focused on their school work. With this in mind, our club purchased 100 over-ear student headphones for use by our students. The headphones were donated to the students of our adopted schools, Enis Adams Primary and Ebenezer Thomas Primary. The feedback we have received is that both teachers and students are happy with the noise reduction and the increased focus facilitated by the use of the headphones.

FOR YEARS OF SERVICE

CTL Home Center joins in the celebration of the Rotary Club of Road Town's 30th anniversary milestone.

The club's dedication and service to our community continue to be outstanding from its inception in 1991.

We witnessed the numerous contributions over the past 30 years, most notably the generous donation of several dialysis machines to the Dr. D. Orlando Smith Hospital and the sponsorship of Enis Adams and Ebenezer Thomas Primary Schools

As part of the BVI Rotary family, it is with great pride and joy that we say happy 30th anniversary and much success in the future.
