

Rotary Club of Bow, New Hampshire

Post Office Box 1935, Bow, New Hampshire 03304-1935

August 2025

Dear Friend of Bow Rotary:

In our continuing efforts to serve our community in “**Pathway To Growth**”, we are having another online Auction to raise funds for educational scholarships and more!

Each year, Bow Rotary Club awards scholarships for college, trade school and nontraditional learning to deserving high school graduates from Bow High School as well as to Bow and Dunbarton residents who attend private high schools. Financial support for children attending camp, as well as community projects (Old Town Hall renovations, Wildcat Habitat at BMS, Baker Free Library Lower Level Meeting Room) are all also beneficiaries of Auction proceeds. Last spring we donated a pavilion to provide shelter and an opportunity to gather near the sports fields located on Albin Road in Bow. This spring we installed a stone marker at Rotary Park.

As of 2025, Bow Rotary has awarded more than \$469,000 in scholarships and over \$60,175 in camperships to local children and their families.

Our Auction is only successful with the generous support you and others give us by donating items promoting your business to our participants. If you haven't been able to donate before, we invite you to do so now. Your donation of an item, service, or gift certificate will help continue our proud tradition of giving back to our community.

To ensure maximum exposure for your business, please submit your item no later than October 24, 2025. Please contact us at (603) 496-2305 or send an email to carolnieg@gmail.com with any questions, or to arrange for item pick-up.

Thank you again for your support, and **PLEASE, plan to visit our website from November 5-8 to join us in bidding on wonderful items!**

Warm regards,

Carol Niegisch and Mike Gula, 2025 Auction Co-Chairs

P.S. In addition to contributing to the auction, there are sponsorship opportunities available to showcase your business! Please let us know if you are interested in learning more!
