Dear Scholarship Applicant:

The Rotary Club of Bow welcomes your application for a scholarship for post-secondary education, made possible through the tremendous support of the community for the Bow Rotary Club's Annual Foundation Auction.

Based on your goals there are three different fillable PDF application forms from which to choose.

1. Use the "Traditional" application if you are currently a student or have been a student attending high school or college within the last four (4) years.
2. Use the "Vocational" application if you plan to attend a vocational, technical or certificate school and if you are currently a student or you have been a student within the last four (4) years.
3. Use the "Adult Student" application if you have not been in school or college for four (4) or more years regardless of if you plan to attend a college or a technical or vocational school.

Selected recipients of a scholarship will be notified in writing or by phone prior to the annual Awards Night on June 1st. If the recipient is a current Bow High student, the Rotary speaker at the Awards Night will call each student recipient up and will present them their scholarship award letter.

The actual scholarship award will be presented to the recipients at a regular Rotary Club meeting in early January the following year, right after their first semester. The scholarship award will be payable directly to the scholarship recipient for their expenses.

The checklist below has been developed to help you prepare your materials for submission in applying for one of our scholarships. For your application to be considered, you must complete and submit all of the following:

- All application questions must be completely answered to the best of your ability. Incomplete or missing answers will disqualify you from receiving a scholarship.
- The applications are available in PDF format for download from bowrotary.org under the Scholarships & Grants or Downloads menu. The PDF forms can be filled in electronically and emailed or may be printed and mailed.
- Be sure to attach all of the following required items:
 - Attach either your high school or college transcript as applicable.
 - Two letters of recommendation as described in the application.
 - A copy of the applicant's most recent tax return or W2 form (*it will be shredded*)

The application must be received at the Bow School District Superintendent's Office or emailed to bowrotary@gmail.com no later than **3:00p.m. on April 6th 2026.**

If you have any questions, please send your questions via email to bowrotary@gmail.com.

Sincerely,
Bow Rotary Scholarship Committee
