

Bow Rotary Summer Concert Series – Pre-Registration Form

Our next concert will be on August 6th from 5 to 7 and will be an "Open Mic/Talent night". We have done one of these before so help support a BHS senior project and it was very successful. Depending on the number of applicants, performers will have about 10 min or so to perform, which can be anything you would do in front of a family audience. Although pre-registration is not required, pre-registration will guarantee you a spot on the stage to perform.

Although it is not required to pre-register, you may not find an opening if you wait until that evening. If you are interested in performing at our Open Mic/Talent Night concert, please complete the following form and email it to bowrotary@gmail.com
