Number	Name	Description	Number of People Impacted	Amount
1	SOUNS Reading Program	Place 200 learning sets into Head Start classrooms in the public schools. This project adds to an existing effort to make dramatic inroads toward literacy for teachers and young children.	4,000	\$2,500
2	Hope on Wheels	Salvation Army project. Purchase plates, cups, napkins and cutlery for one year. Five mobile units (food trucks) visit areas where homeless are, all around metropolitan San Juan. The truck also has volunteers assisting with food distribution, clothing, toiletries, case management and counseling.	16,800	\$2,500
3	Back to School Backpacks	Purchase 40 backpacks plus school supplies. Distribute 20 to each of two schools in Llorens Torres. Teachers will select students to receive them based on need. All Rotary clubs in Puerto Rico are being asked to fund this project.	40	\$800
4	One Computer and One Tuition Scholarship at Sagrada Familia	Benefits the 80 children at the private Catholic School Sagrada Familia, located in Santurce. The project asks for one computer for the library (\$1,000) and also full tuition scholarship for one student for one school year (\$1,000).	50	\$2,000
5	Mano Amiga (Helping Hand)	Case management program aimed to minimize risk factors for contracting a sexually transmitted disease. In addition, the program assists people in substance and alcohol abuse and practicing safe sex.	10	\$2,000
6	Thanksgiving Day Races	Purchase turkeys for the Annual Thanksgiving Day Races for Llorens Torres schools (a legacy project of San Juan Rotary Club). This is a one day community field day where kids from several schools come out with their families and they have races outdoors. The winners get to take home turkeys.	500	\$500
7	Teatro por Amor Center	Antonio Morales came out of Llorens Torres working with Viviendo el Arte theater group. Now he has created Teatro de Amor, a very active non-profit that fosters theater projects. The request is for seed money to repair their new center on Americo Miranda that was deeded to them as a gift from First Bank.	160	\$2,500
8	Transportation for Karol Oviedo	San Juan Rotary has supported Karol in many ways throughout the years as she went through school and graduated with highest of honors. Now she is a student at Emory in Atlanta, with plans to continue on to med school. She needs funds for airfare to travel home to Puerto Rico for the Christmas holidays.	1	\$500
9	Tower Garden Project	The Interact Club at Commonwealth-Parkville School proposes to install and maintain an aeroponic growing system for plants and vegetables. The students will learn this process, and also will donate the produce to Bill's Kitchen.	45	\$800
10	Condado Artificial Reef	Arrecife Condado, Inc. is a non-profit seeking to construct an artificial reef offshore at Condado beach to prevent drownings, coastal erosion and help marine species. Technical studies have been completed and paid for. Funds requested will contribute to obtaining permits. After that, construction will begin.	Condado	\$1,000
11	Send Rotaractor to Atlanta 2017	Partially cover expenses of one Rotaract student from our Rotaract Club to travel to the Rotary International Convention in June of 2017. All Rotary clubs in Puerto Rico are being asked to fund this project.	1	\$500
