Paul Harris Sustaining Member: \$25 per quarter or \$100 annually

All members are strongly encouraged to become sustaining members of the Rotary Foundation and the tremendous service projects of Rotary International. Named in honor of the founder of Rotary, Paul Harris, sustaining members contribute a minimum of \$25 per quarter or \$100 per year. This is a voluntary contribution. The Rotary Foundation will provide a receipt for Paul Harris contributions, which you should retain for tax purposes.

Fifty percent (50%) of your contributions to the Rotary Foundation come back to the district in three years to be used for educational and humanitarian programs and projects within the communities of District 6000. The other 50% benefits the World Fund to support our commitment to international service. The three-year investment cycle ensures that 100% of your contribution is spent on Rotary programs and grants.
