Rotary Invoices Forwarded Oct. 5th

The invoices for the Second quarter of the Rotary year, October through December, were forwarded on October 5th by email to each member. Let Jim Ramsey know if you did not receive your invoice. We know some invoices find their way to spam folders. If you find yours in your Spam folder, try adding jramsey.bank-northwest.com@clubrunner.email to your contact list.

Prompt payment of your invoice allows the club to stay on budget and reduces the number of follow-ups necessary by our treasurer and secretary. *Remember, payment of your invoice is due by October 26, 2018!*

Chuck Long Speaks to Rotarians

Former Iowa Hawkeye quarterback **Chuck Long** was the guest speaker at the noon Rotary Club of Ankeny on **October 9th**. Chuck is a member of the College Football Hall of Fame and played professionally in the NFL for the Detroit Lions and Los Angeles Rams. After his professional career, he served as an assistant coach at Iowa and Oklahoma and head football coach at San Diego State. Long is the CEO and Executive Director of the Iowa Sports Foundation, the organization that runs the Iowa Games, the Senior Games and the Live Healthy Iowa challenge.

Chuck highlighted some of the stories contained in his recently published biography ***"Destined for Greatness – The Story of Chuck Long and Resurgence of Iowa Hawkeyes Football"*** including taking a snap in a record five college bowl games, claiming a last-second win over No. 2 Michigan in 1985, finishing runner-up to Bo Jackson for the 1985 Heisman Trophy and being selected in the first round of the 1986 NFL Draft by the Detroit Lions. The book relives his life and career as one of the Hawkeyes' greatest players and the resurgence of Iowa football under Coach Hayden Fry. The book also includes perspectives from Fry, Kirk Ferentz, Hap Peterson, Mark Vlasic and Jonathan Hayes and their reflections on a variety of topics including the farm depression that impacted Iowa in the 1980s. Also in attendance was the author of the book, Aaron Putze, a visiting Rotarian from Waukee.

Chuck and Aaron brought several books which were purchased by members and guests and autographed for Chuck. He also autographed a Hawkeye football which along with an autographed book will be sold at the club's 2019 fundraiser on April 13th.

Rotary Foundation Minute

In 2017, the majority of The Rotary Foundation's global grants were awarded to clubs and districts outside the United States; however many

of our districts have recognized immediate needs within our own country working within the grant process:

1. A health service center was created in Salinas, California to assist homeless residents in their community and helped them obtain references to healthcare professionals.
2. In Greensboro, Alabama, Rotary provided financial literacy and small business development trainings for at risk youth.
3. Rotary provided a social skill program targeting unemployed and underemployed residents of West Coconut Grove, a Bahamian founded community in Miami, Florida.
4. It equipped a mobile vision unit to serve patients in a region of rural Appalachia.
5. And in Up State New York, it developed a grant to address the severe epidemic of opioid/heroin abuse.

Your generous donations to the Rotary Foundation enable this to happen!
