by Burnham, Nate

A check in the amount of \$1,000 was presented to Nick Lenox, Recreation Coordinator for the Ankeny Parks & Rec Department to support their **"Youth in Parks Summer Program"**.

The **"Youth in Parks"** program is designed for students entering grades six through nine. Each week-long session will involve participants in a half-day of community service and a half-day of recreation. Participants will develop a sense of community pride through public service. The community services will include flower bed maintenance, public property clean-up, retirement home assistance and some park projects. The recreation activities will include swimming at the Aquatic Center, canoe and sailboat instruction, fishing, bowling and other good times.
