Thank You - On With Life!

by Burnham, Nate

Thank you to Pat Stillwill and Julie Dix for hosting our meeting on July 12th at On With Life. We not only had a great meal but we also learned the history of On With Life in Ankeny and the care they provide to patients with brain injuries.

Over 1.5 million Americans experience a traumatic brain injury each year, according to the Brain Injury Association of America, that is one person every 20 seconds! Unfortunately, at least 80,000 of these Americans then experience the onset of long-term disability and 50,000 others die. It is estimated the over 2,500 Iowans acquire brain injury each year.

Prevention is the only cure! Remember to - Use your seat belt to buckle up, Wear a helmet when riding a bike, motorcycle or horse, only jump feet first into unknown water, schedule annual check ups and remember, friends don't let friends drive drunk!

Todd Eipperle Back Home in Marshalltown

by Burnham, Nate

According to an article in the Des Moines Register, Todd Eipperle is back home in Marshalltown for a few days so he can attend the funeral of his friend, Sgt. 1st Class

Terryl Pasker of Cedar Rapids, who was killed in the attack in Afghanistan last Saturday.

Todd was shot from a few feet away but the bullets passed through his hip and knee without damaging any bones. He was treated in Army hospitals in Afghanistan, Germany and Kansas before returning to Marshalltown. He will be returning to Kansas for at least a month of rehabilitation.
