### Rotary Dollars For Scholars Winners Announced

Posted by Nate Burnham on May 04, 2015

The Rotary Club of Ankeny will be presenting a \$500 scholarship to a senior from each Ankeny high school. The Dollars for Scholars presentations will be at 7:00 PM Monday May 18th at Ankeny Centennial High School and 7:00 PM Tuesday, May 19th at Ankeny High School. The winners of the Rotary scholarships will be:

**Amber Lillian Smith**, Ankeny High School. She will be attending Truman State University, Kirksville and studying Business and Economics.

**Kelsey Kay Anliker**, Ankeny Centennial High School. She will be attending the University of Iowa, Iowa City and studying Biology.

The club has the opportunity to assist with the presentation of these scholarships. Please contact Julie Cooper or Nate Burnham if you would like to attend and represent the club in this presentation.

### 200 Recognition Points Offer to End May 14, 2015

Posted by Nate Burnham on Apr 20, 2015

In November 2014, the Board approved a proposal to donate 200 Rotary Foundation recognition points to each Ankeny Rotarian, both Active and Honorary members, that agrees to continue or become a "Sustaining Paul Harris Fellow". As of April 20th, 39 Ankeny Rotarians have accepted the club's offer. This helped seven members become new Paul Harris Fellows and nine other members reach another level of Paul Harris recognition.

If you are among the Ankeny Rotarians that has not as yet signed the form to commit to becoming or continue to be a Paul Harris Sustaining Member and receive the 200 recognition points, it is not too late but time is running out. **The offer to current members will terminate on May 14th.** New members will continue to be eligible for the 200 recognition points at the time they join the club, if they agree to become Paul Harris Sustaining Members. Forms to sign up are available from Steve SchraderBachar or Nate Burnham.

### Annual Meeting & Golf Outing - June 25th

Posted by Nate Burnham on Apr 19, 2015

The annual meeting and golf outing for the Rotary Club of Ankeny will be held at the Ankeny Golf & Country Club on **Thursday, June 25, 2015**. Plan to attend and see President Julie pass the leadership of the club to Damon as well as the announcement of awards for the 2014-2015 year and several members receive Paul Harris Fellows recognition.

Gary Welch presented a check in the amount of \$500 from the Rotary Club of Ankeny to the **Ankeny Centennial High School Student Council**, on April 25th. Several Rotary Youth Leadership Award alumni are leading a group of students in the planning and carrying out of an event for seniors to package meals and make shoes for people in Uganda, Ethiopia and other countries. These funds will help with purchase the food and supplies.

### Bike Path Completed Through AMP Site

Posted by Nate Burnham on May 04, 2015

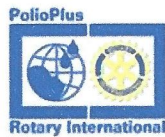

If you have driven by the site of the proposed Ankeny Market Pavilion you probably noticed there is some construction beginning. The city has nearly completed the construction of the bike path that will connect the High Tresle trail to the other paths in Central Iowa. The construction of the bike path by the City is being completed by grants and funding separate from the AMP project. Work on the first phase of the AMP project is expected to begin in late May, assuming the Vision Iowa grant is approved at their meeting on May 13th. The first phase will include the under ground water retention, installation of all utilities and all above ground concrete including the driveway, parking area and the pad for the first pavilion.

### Rotary Picnic - August 11th

Posted by Nate Burnham on Apr 16, 2015

The date has been set for the second annual Rotary picnic. **It will be the evening of Tuesday, August 11th.** Last year's event included the club providing meat, both hot dogs and hamburgers, which was grilled by evening club members. This will be a family event with children welcome. Put this event on your calendar, plan to attend, and watch for more details.

### Rotary Foundation Minute

Posted by Nate Burnham on May 04, 2015

The extensive polio-eradication infrastructure created by Rotary, its partners in the Global Polio Eradication Initiative, governments and health ministries provides a model for saving millions of people from vaccine preventable deaths. The massive infrastructure that has been created encompasses millions of trained health workers as well as best practices and knowledge, which now can be used to combat other infectious diseases and to undertake other critical health interventions.

Detailed micro-planning and mapping, the tracking of migrant groups, social mobilization programs and systematic training and employment of vaccination teams can now be applied to other health initiatives. The network now used in the surveillance of polio cases can be used to handle other diseases, including measles, tetanus, meningitis and yellow fever. It has also assisted in the global response to the outbreak of SARS, to floods in Pakistan, and to the tsunami in Southeast Asia. Most recently, Nigeria used the infrastructure and surveillance system to end the deadly Ebola outbreak.

"For 30 years, Rotarians have worked tirelessly to eradicate polio from 99% of the world," says Michael McGovern, Chair of Rotary's PolioPlus Committee. "Their efforts have not only ended polio in 122 countries, but they've also created a roadmap for the world to tackle a myriad of other health priorities. This is something all Rotarians can be proud of accomplishing."

Your continued support of The Rotary Foundation made this happen. Thank you.
