November is Rotary Foundation Month

Posted by Nate Burnham on Oct 23, 2014

November is Rotary Foundation month! It's a good time to reflect on the great Rotary Foundation sponsored programs we support and how each of us can contribute to make sure these programs continue. Our Rotary Foundation sponsors a broad range of Educational and Humanitarian programs that save and change lives here and abroad: Group Study Exchange (GSE), Ambassadorial Scholars, Polio Eradication, District Matching Grants and Health/Hunger & Humanity (3H) Grants, to name a few. These programs are the lifeblood of Rotary, creating world peace and understanding through the lives touched by the programs. Ask any past GSE team leader or any Rotarian who has visited/worked on an international project about the difference made by these programs. There are many wonderful stories of saved and changed lives around the world.

Our contributions to The Rotary Foundation fund these Rotary programs. While our Foundation is quite healthy (one of the largest Foundations in the world), there is so much more we need to do. Rotarians' annual contribution and/or a contribution to the Foundation permanent fund (through a major gift or benefactor contribution) fuels our Rotary programs. A contribution to the Foundation is one of the best investments you can make with nearly 100% going to Rotary programs that save and change lives. Each Rotarian is encouraged to learn more about The Rotary Foundation and make a contribution to continue saving and changing lives. These programs work and are a great investment for a better and safer world.
