District "Operation Warm" Project

Posted by Nate Burnham on Oct 05, 2014

District Governor John Ockenfels chose "Operation Warm" as the service project for his year as District Governor. The Rotary Club of Ankeny has agreed to participate in this project and will be making a donation of \$2,000 to purchase coats. We have also applied for a Rotary Matching Grant of \$2,000 for the purchase of additional coats. Assuming the grant is approved, the \$4,000 should purchase about 250 coats. The club will be working with the Ankeny Service Center in the distribution of the coats to needy children in Ankeny. ***If any Rotarian would like to make a personal contribution to purchase additional coats, please contact Nate Burnham. The initial order for coats will be placed this week.***

Most slots are full but we could still use some help on Friday the 10th. If you have not signed up yet or if your time slot is full and you can switch to Friday, call or send Damon Miller an email. (515-371-4459 or dmiller@bankcsb.com) Also, thank you to Woodworth Companies for printing labels and the boy scouts that helped put the labels in the dictionaries.

The date for the 7th annual Rotary Polio Plus / Iowa Energy Fundraiser is tentatively set for February 7th and the committee is now being organized. Since April, 2009 money raised through the Iowa Energy D-League Basketball ticket sales, contributions and a 50/50 raffle at the games has been enough to immunize over 100,000 children worldwide. Again this year the Iowa Energy will provide their best \$20 tickets to us for \$16. For each ticket sold by a Rotarian, the Iowa Energy will rebate \$8 back to the club.

The Rotary Club of Ankeny is in need of a volunteer to represent the club in the planning committee. The committee plans to meet on the third Tuesday or Thursday of each month at the Tavern II, West Des Moines at 11:45 - 12:45. If you attend this meeting, you will receive a make-up for the Ankeny Rotary meeting. Let Julie Cooper or Nate Burnham know if you are willing to serve on this committee.

2015 Xicotepec Project Trip

Posted by Nate Burnham on Oct 05, 2014

It started in 2001 with a Rotary Foundation Discovery Grant and help from Iowa State University officials. In February, 2002, the Discovery Grant team went to Xicotepec to meet Rotarians there and learn more about their projects and the needs in the Xicotepec, Mexico area. This team included several Rotarians from District 6000. The report submitted by this team served as the foundation for choosing projects undertaken by teams made up of Xicotepec Rotarians along with visiting youth and District 6000 Rotarians. In March, 2003, 49 members of the first project team spent a week in Xicotepec and helped construct new classrooms at the Escuela Primaria Club Rotario Los Tezontles. More than 650 project team members have made up the project teams that have come to Xicotepec in March in every year since.

The Rotary Club of Ankeny's first participation was in 2006 when we sponsored two adults and 5 students to join other District 6000 youth and Rotarians in the March trip to Xicotepec. The club continued to sponsor youth and adults each year through 2010 however no one from Ankeny has participated in this humanitarian trip during the past four years. The next trip will be from **March 14 through the March 22, 2015**. The projected cost of the 2015 trip is about \$1,750 including air fare. **Applications, along with a \$200 deposit, must be received by November 21, 2014.** If you are interested in participating in this life-changing experience, please contact a board member.
