Jonna has a Marketing Degree from the University of Northern Iowa and a MBA from Drake University. She has been a marketing and sales professional for the past 20 years. She opened Home Instead Senior Care in 2009. Jonna will be speaking about the importance of keeping seniors active - mind, body, and soul. Experts agree that regular activity is vital to healthy aging...but new research shows that most seniors believe it's a major challenge. With that in mind, local senior experts have launched a program designed to help keep seniors engaged and fit. Resources include free <i>Get Mom Moving Activity Cards</i> and a specially designed website (www.getmommoving.com) with practical and educational tools for seniors and their families. Home Instead Senior Care provides in-home, non-medical services to seniors in the Chariton and surrounding areas. Services include companionship, light housekeeping, meal preparation, laundry, incidental transportation and personal care. Our Sympathy Our sympathy to Rotarian Sara Palmer in the death of her husband and former Rotarian Jack Palmer. Please keep Sara and her family in your prayers. The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster;

- I. The development of acquaintance as an opportunity for service;
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;
- III. The application of the ideal of service by every Rotarian's personal, business and community life;
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to all concerned?
