The RYLA program began in Australia in 1959, when young people throughout the state of Queensland were selected to meet with Princess Alexandria, the young cousin of Queen Elizabeth II. The Rotarians of Brisbane, who hosted the participants, were impressed with the quality of the young leaders. It was decided to bring youth leaders together each year for a week of social, cultural and educational activities. The RYLA program gradually grew throughout all the Rotary districts of Australia and New Zealand. In 1971, the RI Board of Directors adopted RYLA as an official program of Rotary International.

That motto forms an important part of our identity as Rotarians. It reminds us why we are here, why our every action matters, and why we take the time and the initiative to help others wherever and however we can. Our Rotary Foundation has its own motto: Doing Good in the World. Doing Good in the World is more than a slogan. It is our goal, our mission, and our reminder. It expresses in the clearest terms why we have a Foundation, and it challenges us to reach as far as we can to do the most good possible with everything we have. Our Foundation exists to support the good that we can do through Rotary. It expands our reach, increases our strength, and makes our service more powerful and more effective. Because of our Foundation we can, very simply, do more of our Rotary work.

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster;

- I. The development of acquaintance as an opportunity for service;
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;
- III. The application of the ideal of service by every Rotarian's personal, business and community life;
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to all concerned?
