Mike Mamminga, Presenter on January 28th

Mike Mamminga's presentation will be about food safety. He was a meat inspector for many years and then became the first nonveterinarian to become bureau chief of the Iowa Meat and Poultry Inspection. He was in meat inspection for almost 40 years. He is now retired and serving as a consultant to the Iowa State University Meat Science program. Mike lives in Des Moines with his wife Pat.

This Week's Foundation Thought is about...

Future Vision. "You can view the glass as half full or half empty on the topic of Future Vision. However, as we have worked through the steps needed to qualify our clubs and district, smaller clubs have begun to embrace the process and actively seek ways to work with other clubs, both within and outside our district, to create larger, more sustainable projects. Thousands upon thousands of people can be positively impacted by such projects and then we can truly claim that we are living up to our mission of Doing Good in the World. I challenge Rotarians to think big about the Future Vision Plan." -*Rotarian Cecilia Babkirk*

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster;

- I. The development of acquaintance as an opportunity for service;
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;
- III. The application of the ideal of service by every Rotarian's personal, business and community life;
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to all concerned?
