This Week's Foundation Thought is about...

Peace. "A skeptic might ask: 'How can Rotary be a real force for peace? It has no jurisdictional power. It is not a religion. It has no army or tanks, and it insists on being nonpolitical.' Such a viewpoint looks at peace as something that can be ordered or militarily enforced, as if it is only the responsibility of governments. Rotary has always approached peacemaking systematically -- it has sought to break down the barriers that cause people to point fingers at one another. By trying to understand peoples' points of view and reaching across lines of race, religion, and culture to become partners in service to all mankind, tensions are reduced and friendships are increased. Humanitarian aid has been Rotary's answer to hunger, sickness, illiteracy, and economic disaster -- the seeds of conflict."

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster;

- I. The development of acquaintance as an opportunity for service;
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;
- III. The application of the ideal of service by every Rotarian's personal, business and community life;
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to all concerned?
