Last Week's Speaker - Dave West

Last week's speaker, Dave West is shown in his attire that he wears when he is working in security around the Air Guard area at the Des Moines airport.

Dave has worked in Air Force Security all over the world - including Drug Control in the Caribbean area.

Dave is also a very talented artist.

This Week's Foundation Thought is about...

Clean water. Rotarians put 1,250 biosand filters into homes in the Dominican Republic through a US\$150,000 project supported by a Rotary Foundation Matching Grant. This undertaking was part of the Children's Safe Water Alliance, a project of District 4060 that helped bring 19,000 filters--and clean water--to 100,000 people in 300 communities in just seven years. The alliance was the brainchild of Bob Hildreth, past president of the Rotary Club of Puerto Plata Isabel de Torres, Dominican Republic, and past club president James Bodenner and his wife, Susan, both members of the Rotary Club of Rockford, Michigan, USA.

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster;

I. The development of acquaintance as an opportunity for service;

II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;

III. The application of the ideal of service by every Rotarian's personal, business and community life;

IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to all concerned?
