Dalton Storm, Presenter on May 6

by Scott, Craig

Dalton Storm is a Chariton High School senior who will talk about his experience representing Iowa at the National Federation of High School's national leadership conference held in Indianapolis, Indiana last summer.

Dalton was selected by the Iowa High School Athletic Association as one of six male students to represent the state. Chariton is the only school district ever to have two students selected in two consecutive years to represent the state at this prestigious national event. Bobby Anderson was selected the previous year.

Dalton has been an outstanding student and athlete during his high school career. Most recently he led the National Honor Society in providing 10,800 meals to those in need in foreign countries. He is the son of former Rotarian Debra Storm.

This Week's Foundation Thought is about...

Foundation programs. Past District Governor Linda Coble says: "I have been a Rotarian since 1987, but I have never dropped polio vaccine into the mouths of babes in faraway countries. I have not rolled up my sleeves to renovate a school in the Philippines with my fellow club members. I have not led a Group Study Exchange team to a foreign country or followed doctors on missions across the sea. But I feel in my heart that I have been there, done that all...and more. Foundation giving comes in many ways. As a Multiple Paul Harris Fellow, I know that my contributions have enabled my fellow Rotarians who could make a difference up close and personally. I know I was there in the spirit of Service Above Self."

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster;

- I. The development of acquaintance as an opportunity for service;
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;
- III. The application of the ideal of service by every Rotarian's personal, business and community life;
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to all concerned?
