Doug Flournoy, Program Sept. 30th

Before Doug Flournoy joined Rotary he earned his Ph. D. in Biochemistry from the University of Wisconsin-Madison in 1988. After working for the USDA as a research chemist for 5 years he entered the teaching profession and is currently a Professor of Chemistry at Indian Hills Community College. Doug enjoys teaching chemistry and some mathematics but views these courses as vehicles to teach clear and critical thinking and communication skills.

Doug joined the Rotary Club of Fairfield in 2002 and served as its President in Rotary's Centennial year, 2004-05, under DG Bill Tubbs. That year he was instrumental in starting the Interact Club of Fairfield and executed the club's first International Matching Grant with the Rotary Club of Cankaya in Turkey. Since that time he has been the lead Project Contact on seven additional matching grants with clubs in South Africa and Columbia. Doug

is also the Rotary Club of Fairfield's District Simplified Grants writer and have successfully applied for a DSG each year since 2005. He has chaired the D6000 District Simplified Grants Committee since 2009 and because of his heavy involvement in Rotary Foundation grant writing, he currently sits on the D6000 Future Visions Committee and on the D6000 International Grants Committee.

They are currently working on a Competitive Matching Grant with Rotary Club Narayani Mid Town, Nepal. The purpose of the grant is to provide clean drinking water for a village of 10,000 people in Jaluke, Nepal. To the best of our knowledge, this is the first Competitive Matching Grant ever submitted by a Rotary Club of D6000. Doug's personal goal is to use this project to involve as many Rotarians and Rotary Clubs as possible in the inaugural event and to convey lessons learned from his participation in The Rotary Foundation's International Grant writing process.

Thanks Bob

Rotarian **Bob Ulrich** has put the Rotary wheel up by the entrance to the Rotary room at Carpenter's Hall.

Please thank Bob when you see him.

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster;

- I. The development of acquaintance as an opportunity for service;
- II. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;
- III. The application of the ideal of service by every Rotarian's personal, business and community life;
- IV. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth

Will it be BENEFICIAL to all concerned?
