Ken Deering told us that work on the Sally Findley Downtown park is on budget. Electrical and irrigation will be done next, then we will put down mulch and get signage for the park.

Gary Foster updated us on the fire truck project. He personally has purchased the 1983 tanker truck to donate and is in the process of getting it painted red. He also told us that the grant application is ready to go pending the necessary signatures.

President Mary reminded us that the District Simplified Grant Deadline is September 8<sup>th</sup>. Clubs can apply for this money for miscellaneous club projects. (This is actually money that comes back to our clubs from Rotary Foundation for club use if requested through this grant.)
