President, Rotary Club of Clinton
566 33rd Ave. N
Clinton, IA 52732

Dear President Holmer

I want to begin by offering my congratulations to you and The Rotary club of Clinton for receiving the 2009-10 Presidential Citation.

To receive the Presidential Citation Award your club had to first have a membership growth during the 2009-10 Rotary year. Your club also had to have three activities in the following areas: Polio Eradication, Public Image, Service, Membership, Vocational Service and Leadership. In achieving this award your club has taken advantage of the opportunity of addressing each of the four Avenues of Service, as well as Rotary International President John Kenny's emphasis in the areas of literacy, water, and health and hunger. In doing this you also focused your efforts within the framework of RI's strategic plan.

By successfully satisfying the requirements for the Presidential Citation you have made 2009-10 a very successful year. You have fulfilled the responsibility of reminding Rotarians of their personal responsibility to the ideals of Rotary as exemplified by our theme for this year: "The Future of Rotary is in Your Hands".

Again Congratulations for leading your club during a very successful year in Rotary.
