SERVE TO CHANGE LIVES

SERVE TO CHANGE LIVES

SHEKHAR MEHTA **Rotary International President 2021-22**

Rotary Club of Calcutta-Mahanagar, West Bengal, India

Mehta, an accountant, is chair of the Skyline Group, a real estate development company he founded. He is also a director of Operation Eyesight Universal (India), a Canada-based organization.

Mehta has been actively involved in disaster response and is a trustee of ShelterBox, UK. After the 2004 Indian Ocean tsunami, he helped build nearly 500 homes for families affected by the disaster. Mehta pioneered a program that has performed more than 1,500 life-changing heart surgeries in South Asia. He is also the architect of the TEACH Program, which promotes literacy throughout India and has reached thousands of schools.

A Rotary member since 1984, Mehta has served Rotary as director, member or chair of several committees, zone coordinator, training leader, member of The Rotary Foundation Cadre of Technical Advisers, and district governor. He is also the chair of Rotary Foundation (India).

Mehta has received Rotary's Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Awards.

He and his wife, Rashi, are Major Donors and members of the Bequest Society.

Dear Fellow Rotarians, Rotaractors and friends of District 6000

Welcome all members as we begin the new Rotary Year 2021-22. We have entered the doors of new opportunities, overcome the challenges posed by the pandemic and have a true appreciation of life seen through its new lens. As we reflect and resurface out of the pandemic, we see firsthand that the clock does not stop, the wheel continues to turn, the road does not slowdown in Rotary! The many 1.2 million resilient Rotarians and Rotaractors followed the motto of 'Service Above Self' and were there to 'Serve to Change Lives' at the need of the hour! We have been impacted by the terrible loss of lives of many dear and loved ones during the pandemic. We are grateful and thankful to all the front liners, first responders and all involved for 'Serving to save and change lives' each day, every day! These are all the shining examples and role models of Rotary's motto of 'Service Above Self! Let us all lead by example! 'Serve to Change Lives' is our theme for the new Rotary year by RI President Shekhar Mehta. It is simple but has a deep meaning and has a lasting impact as the words are put into action. RI President's vision for the current Rotary year is to increase Rotary's membership to 1.3 million. He believes that we can accomplish this goal if each of us takes the responsibility of bringing one new member into the club and retain the ones already present. We will have a bigger platform, greater pool of Rotarian volunteers that represent the communities they live in. Diversity, Equity and Inclusion as its key focus.

Being an optimist and of a very positive mindset let's all take up this challenge - 'Dream Big', believe in our dreams and ourselves! Let's 'DO MORE AND GROW MORE'. Increase membership, do more service projects, participate in Rotary Days of Service, partner with other organizations, clubs, districts, locally and globally. Let's invite at least twenty five percent of non-Rotarians and Rotaractors to participate in service projects, learn about Rotary, social events and join in Rotary fellowship. It is critical to keep our focus on one or two initiatives by implementing our strategic plan, alongside with the Action plans that can come to fruition.

With the new 'normal' we are now more prepared for achieving greater things! Let us continue to open our minds and our hearts. As past RI President Holger Knaack said, "Everything we do in Rotary opens another opportunity for someone somewhere". "The world needs Rotary now more than ever. "Let's Light up Rotary!" "Be a Gift to the World!" We need to continue to double our efforts in eradicating Polio from our planet. We are this close! We have to finish the job! LET'S END POLIO NOW! Only two countries remain as we reach the FINISH LINE! Similarly, the infrastructure that we have for Polio has helped tremendously in providing the base for helping with the Covid 19 Vaccination too!

Let's embrace new fresh ideas, include and partner with our young people in many of the activities of Rotary. They are all excited with many of the new changes that Rotary has brought forth to them. They like to dive in and do hands-on service projects. Rotarians and Rotaractors are now seen as equals. Let's have their representation on different 'Action Teams'; have them participate in our projects and we in theirs. We also need to increase the number of women in Rotary, give them a means to amplify their voices, our clubs even stronger and soar to new heights of success! We are living in a digital era and experiencing a new world of Rotary. We have learned to accommodate, adapt, be creative, flexible and invite speakers, guests from across the globe through various virtual platforms. Hybrid and virtual meetings are here to stay and are a part of the new norm. We have been able to sit in the comfort of our homes and travel the world which otherwise would not have been possible! The mantra - 'The Rent we pay by living on planet Earth is the service we offer to mankind' really resonates with many! Let's start 'Peace builder clubs', use our creativity and be innovative by starting new clubs (Satellite, Cause based, Passport Clubs, the choices are manifold).

Let us donate generously to the Rotary Foundation, as the money that comes back to our District can be used to serve our local and global communities and 'Serve to Change Lives'. Half our world is hungry, half our world has no proper health facilities and so many people are suffering. Let's serve with an open mind, our hearts, spread kindness and compassion, share knowledge and exchange ideas. We must continue the great work of 'Serving to Change Lives' with projects District 6000 clubs are doing in the 'Seven Areas of Focus'. The newest area of focus is 'The Environment'. Let's protect our planet as every future counts! My Acronym W-E H-E-L-P 'SERVE TO CHANGE LIVES' stands for W-Water, E-Education, H-Health and wellness, E-Environment, L-Literacy, P-Peace and Conflict Resolution. One of my major initiatives for this year is a global issue. It is a widespread concern in Iowa. Let us create the awareness, prevent 'Human Trafficking' and protect children and our youth as they are our future. They need to be able to have the chance to lead a normal life. Let's join, be a part of an ICC (Inter Country Committees), participate in new fellowships like Rotary means Business, join Rotary Action Groups - the latest one is Menstrual Hygiene Management, partner with ShelterBox that reaches the remotest areas to help 'Serve to Change lives.' Let's include PDG Steve Dakin's idea of the Fifth Way Test! LET'S MAKE IT FUN! Thank you all for the great honor to serve as your DG for District 6000. I will do my very best and together we will take action to serve our local, global communities and ourselves, make a difference and make our world a better place for all! I am proud to be a Rotarian! I hope you will all join us for our first Rotary multi district conference taking place after seventy-five years in Iowa. District 5970 and District 6000 will come together on April 22nd and 23rd 2022 in Iowa City! We have an exciting conference planned just for you!

Thank You,
DG : Alka Khanolkar

PROMOTE: Interact, Rotaract, RYLA, Youth Exchange
OUR YOUTH are OUR FUTURE!

Every Future Counts

District Governor Alka Khanolkar

Governor 2021-22 Alka and Dr. Kiran Khanolkar
Taken at the home of Rotary International Founder Paul Harris

Alka Khanolkar has been elected District Governor for 2021-22. Alka came to the U.S. from India and has a diverse educational background which began in India. She pursued studies in marketing in England and has done graduate and post graduate study in communications in the U.S. In New Delhi, India, Alka worked in an International Print and Publishing House for foreign language books. She is a lifelong learner and volunteer.

Her volunteer service in her community includes serving for eight years on the Keokuk School Board and on several other Boards in Keokuk on the local and State level. Currently a member of AAUW (All American University of Women), Cultural and Entertainment District (Keokuk), KARE, (Keokuk Association Racial Equality), Iowa Network Against Human Trafficking and Slavery (State), Volunteers for Food Bank of Iowa (in Keokuk), Volunteers for Keokuk schools (United Way Reading Program). She has joined several Rotary Fellowships and Action

Groups: Education, LEAD, RAGAS, Photography, Music, Chess, Peace, Environment (ESRAG), RHGF, Rotary Means Business, WASH Program, Yoga and Meditation, Music Fellowship, Menstrual Hygiene Management Action group, and is one of the American Coordinators for WIRI (Women in Rotary International). She is in charge of RGHF (Rotary Global History Fellowship) for Zone 29.

In 2008, she was invited to be a member in the Rotary Club of Keokuk. She has held several positions at the club and district levels, including club president and assistant governor. She participated in a Polio National Immunization Day in India and a Friendship Exchange to South Africa. She is a graduate of R.L.I and has facilitated sessions.

She has attended 7 Rotary (Two Virtual) International Conventions, attended a West Africa Project Fair, and has been a member of the Xicotepec Project Team and visited 3 times. This will mark the fifth-year volunteering for RYLA. She continues to serve on district teams for Youth Exchange, PolioPlus, Literacy Promotion, Chair of Friendship Exchange, Conflict Resolution, Membership, Chair of Rotaract, and many more. She has spoken on various International Platforms for Rotary Clubs in India and other settings. She is passionate about the good work Rotary does as it makes a difference for our local and global communities! Alka believes we belong to one of the best Rotary Districts in the World 'District 6000'! We are so blessed with multi-talented members, who go above and beyond and inspire us all with their giving of their whole self in 'Service above Self'. We have a very supportive District. We are given a multitude of opportunities to serve, to grow and to lead if we choose to do so. In this Rotary year, Alka would like to continue to be a 'People of Action' person and join the great team of like-minded fellow Rotarians as we "lose ourselves in the service of others" and strive for positive peace in our World. She loves meeting and connecting with people from around the world. She has made so many, many friends from our Rotary world and through collaboration and partnerships together we help "Serve to Change Lives".

For Alka, family is very important and believes it comes first! Alka's husband, Dr. Kiran Khanolkar, is the Emergency Department Medical Director at Blessing Health Keokuk. They are parents of 3 daughters: Mridul is a Data Analyst Manager, Sarina is an Attorney working at a law firm in Chicago, and Priya works in the Film and TV Industry. They have two furry pets, Sebastian and Skai, whose unconditional love is infectious!

District Governor Elect Steve Wieneke

Governor 2022-23
Steve and Brenda Wieneke

Steve Wieneke has been an active Rotarian since 1996 and has been a member in three different Rotary Clubs in District 6000. Steve has served as President in Johnston, President for the Ankeny Rotary Evening Satellite Club, and Assistant Governor. He is a graduate of the Rotary Leadership Institute and serves as the district RLI coordinator and facilitator. Steve is a graduate of the State of Iowa Leadership Institute (ILI). He has served in numerous leadership roles at St. Luke the Evangelist Catholic Church in Ankeny, the Knights of Columbus, the Iowa National Guard, and professional educational organizations. Steve has served on district teams for Membership Development, Club Extension, RLI, and Youth Protection Officer.

Steve currently serves as the Human Resource Manager for A Plus Home Care Services in Ankeny. Prior to this, he worked at Iowa State University for 7 years in the Office of Risk Management. Steve

served in the Iowa National Guard for 33 1/2 years and retired at the rank of Colonel in 2012. His first professional job was as a High School Agricultural Education Teacher and FFA Advisor at Solon and Tipton Schools.

Brenda is a retired elementary school teacher with 35 years of teaching experience, culminating, at Winterset Community Schools. Brenda recently taught at Apples of Gold in Ankeny and currently is an administrative assistant for a local realtor. Steve and Brenda share 5 adult children and 7 grandchildren, with one on the way.

District Governor Nominee Dennis Drager

Born and raised in Tipton, Iowa, Dennis entered the Air Force right after graduating from High School in 1974. After four years in the Air Force, he entered Iowa State University and graduated from the College of Veterinary Medicine in 1985. He spent a few years working in Illinois and Wisconsin before returning to Iowa in 1988 to buy a practice in Marshalltown. There he spent the next thirty years building a thriving practice, Animal Clinic - The Vet. In 2019 Dennis was awarded the Iowa Veterinary Medical Association Veterinarian of the Year award. Dennis retired from full-time practice in March of 2020.

Dennis has always been active in his community. He has been a Boy Scout leader and reserve police officer. He has also served as a board member of several organizations including First United Methodist Church, Marshalltown Regional Partnership and the Animal Rescue League of Marshalltown. Dennis also served as Vice-Commander of the American Legion Post 46 and Chairman of the Marshalltown Chamber of Commerce. In 2017 Dennis was selected as Marshalltown Optimist Citizen of the Year.

Dennis joined the Rotary Club of Marshalltown in 2000 and has actively served locally and at a district level. He has served on the environmental and membership committees as well as the board of directors. He was grant coordinator for his club for several years and served as President in 2017-2018. Dennis currently serves on the Marshalltown Rotary Foundation Board and as an Assistant Governor for District 6000. Dennis and his wife Heidi had the pleasure of hosting a Brazilian Rotary Exchange Student. Bringing Daniel into their home was an amazing experience and they would encourage all Rotarians to give serious consideration to participating in the program.

Dennis and Heidi were married in 2006. He has one son, Jason, who lives in Clive with his wife Jessica and two daughters, Caitlin and Vivienne. Dennis's greatest pleasure is being grandpa to those little girls. He and Heidi recently moved to Urbandale to be closer to family.

District 6000 opened a District office in 2003. Carolyn Scharff became the second part-time District Administrator late in 2006-07 when Jerri Uitermarkt retired. Carolyn moved from Minnesota to attend Iowa State University. After graduation, her career path included retail management, sales and office positions. She enjoys meeting people and the work she does with Rotarians.

Carolyn is a Paul Harris Fellow and a member of the Rotary Club of Pella where she is Club Secretary. She is a charter member of The Union Street Players Community Theatre group. Carolyn's husband John is an Industrial Engineer with Pella Corporation and they make their home in Pella where they are active in their church and community, especially during Tulip Time in early May! Their children are Matt and his wife Kelly, of Austin, TX and Joy and her husband A.J. of Lexington Park, MD, near Washington D.C.; both nice places to visit!

"Working together globally, Rotary, will help to end this scourge of human trafficking"

- Dr. George Belitsos, Rotarian (Ames)

JOIN THE FIGHT AGAINST MODERN DAY SLAVERY

According to the Federal Bureau of Investigation, US Department of Homeland Security, US Department of Justice, and the National Center for Missing and Exploited Children, online sex trafficking has doubled since the start of COVID-19. There are many more vulnerable people. Traffickers prey on the vulnerable, especially runaways, the homeless, those who have been sexually or physically abused, those without a support system or who may be chemical dependent, or those in foster care. Given the current pandemic, there are more vulnerable people at risk of exploitation.

THE NAHT: The Iowa Network Against Human Trafficking and Slavery (NAHT) was Iowa's first and remains the only statewide volunteer organization devoted exclusively to ending human trafficking in all its forms. NAHT is committed to ending the demand for sex and labor trafficking, through awareness and prevention education.	VOLUNTEER: Please visit our website at https://iowanaht.org/ to learn more about the Network. Once on the website click Contact Us to sign-up for our monthly newsletter, request training and/or volunteer to help our advocacy initiatives and more.
DONATE: To make a gift in support of NAHT, visit https://iowanaht.org/donate-now/ and ask your employer to match your gift. You can also like us on Facebook by visiting https://www.facebook.com/iowaNAHT .	REPORT SUSPICIOUS ACTIVITY: Today, we are asking all Iowans to learn more about trafficking, become aware that it is happening in Iowa, and to report suspicious activity. National Trafficking Hotline: 888-3737-888 Iowa Victim Call Center: 800-770-1650

"I believe Rotarians give whenever and whatever they can in service to help those in need."

- Dennis Drager, DGN (Marshalltown)

<https://www.shelterbox.org/about/aid/>

ShelterBox teams work with disaster-hit families around the world, offering emergency shelter and other essential items to support them in rebuilding their lives.

Every disaster is different and so is every community, so we spend time with those affected to make sure we can offer the right support at the right time to help them recover.

A ShelterBox HERO is a Rotary Club that has committed to making an impact in worldwide disaster response by giving \$1,000, \$3,000, or \$5,000 within the Rotary year.

HERO Clubs enable ShelterBox to have the resources and time to be ready when disaster strikes by allowing ShelterBox to purchase and pre-position aid in or near countries where we respond often, resulting in a more efficient and timely response.

There are three HERO levels:

Bronze (\$1,000); Silver (\$3,000); and Gold (\$5,000)

To become a HERO, funds must be sent directly from the Club or a combination of gifts from individual members all sent in together.

We ask that all gifts specifically state "HERO Gift" on the check or accompanying note. Gifts via the HERO program will be designated to Deployment Essentials, directly and quickly aiding families in need.

AROUND THE WORLD: Flight to End Polio

Peter Teahen | John Ockenfels

Members of International Fellowship of Flying Rotarians

Iowa M.O.S.T.

To promote and organize the efforts of District 6000 Rotarians and non-Rotary medical personnel to work with the Rotarians of Huehuetenango, Guatemala, to provide free cleft lip/palate surgery. This team also works to promote additional health related outreach identified in their community.

Xicotepec

We are Iowa and Xicotepec Rotarians and their families, Rotaractors/Interactors, Junior Rotarians, undergraduate students, graduate students, faculty and a variety of community members.

We partner with the local Rotary Club in Xicotepec, Mexico. Their guidance and connections are crucial to our success. Our work includes construction, dental and medical care, education and more.

We have been making these trips annually since 2002, interrupted only by COVID.

RAG4Clubfoot

RAG4Clubfoot grew out of the vision of PDG Herb Wilson. Because of Rotary's success with polio eradication and improving health worldwide, Herb felt that clubfoot treatment and spreading of the Ponseti Method would be a good fit for Rotarians. We consider Iowa the RAG4Clubfoot "headquarters," because the Ponseti Method was created by Dr. Ponseti, who studied and perfected his revolutionary treatment at The University of Iowa.

FOUNDATION GIVING: HOW THE MONEY COMES BACK TO LOCAL AND GLOBAL COMMUNITIES

What makes The Rotary Foundation (TRF) special?

First, Rotarian support – Annual giving to TRF such as “**EREY**” (**Every Rotarian Every Year**), **The Paul Harris Society** and **The Rotary Endowment Fund**. These 3 ways to donate to TRF, its Annual Fund and The Endowment provide the funds that allow Rotarians to support District/Community Grants and Global Grants.

Second, Return on Giving – for every \$100 given to TRF by D6000 Rotarians, \$22.50 supports District/Community Grants and \$72.50 supports Global Grants.

Third, Stewardship – D6000 is recognized by TRF for its exemplary stewardship of the monies given and used by D6000 Rotarians.

Give to The Rotary Foundation and give generously. Your gift to The Rotary Foundation allows Rotarians to **Serve to Change Lives**.

The Foundation Minute, Editor Olabisi Gwamna, Rotary Club of Mt. Pleasant
March 11, 2021 - Week 3 of Rotary International's Month of Water & Sanitation

On March 11, 2021, members of the Rotary Club of Boothbay Harbor, Maine, welcomed TRF chairperson, Brenda Cressy to their club for a grand occasion. Cressy was at the club to announce a humongous gift to TRF by the Otto & Fran Walter Foundation, a charitable organization based in New York City. The Otto & Fran Walter Foundation's gift of \$15.5 million was described by Cressy as “... the second largest gift in Rotary International's history...second only to the one from the Bill and Melinda Gates Foundation.” The gift was facilitated by board members of the Walter Foundation, who also happened to be members of the Boothbay Harbor Rotary Club.

Boothbay Harbor Board President Martha (Marty)Peak Helman, Past President Frank Helman and members Chip Griffin and Ken Bradsell recalled that the idea of doing something similar to the Rotary's Peace centers cropped up during one board meeting of the Otto & Fran Walter Foundation. The board was discussing a successful Rotary International scholar program focused on promoting world peace with centers around the globe. “What about one in the Middle East? Wouldn't that be the ultimate tribute to Otto, and be an incredible way to change the world,” Marty Helman, the 2020-21 chair of TRF's Peace-Major Gifts Initiative had asked. Expressing immense gratitude of TRF, Brenda Cressy said that TRF has always wanted a Middle East Peace Center since 2018. The new center will be Middle East/North Africa (MENA) region. Once the Middle East peace center is established, the Walter Foundation's endowment will fund 20 scholars per year in perpetuity, and the gift will be the last, according to Marty Helman.

In another report, Rotary District 7120, western New York, received a Disaster Relief Grant of \$24,585 from TRF. The money will be used to purchase relief materials for those who are at a high risk for contracting COVID-19. Eleven counties will benefit from the gloves, masks, disinfectants, wipes, gowns and hand sanitizers.

When the coronavirus hit about a year ago, TRF quickly mobilized and awarded 319 COVID-19 specific disaster response grants for \$7.9 million. To date, we have further awarded 317 COVID-19 global grants for \$24.1 million which, combined with previously approved global grants...has made for a total outflow of more than \$32.7 million.” (K.R Ravindran, Foundation Trustee Chair).
